

THE 2020

# Beekon

YEARBOOK

**MOOROOLBARK**  
COLLEGE

The name Beekon derives from the Wurundjeri word for Mooroolbark, which is thought to mean *earth* or *place*.

Thank you to all the staff and students who contributed their words, photos and memories of 2020.

*Respect*

*Endeavour*

*Resilience*

*Compassion*

Front cover art by Alayna Corner (Year 10, B9)

*'I like how this piece can have many different stories. I believe it can show life or death, maybe even blossoming into who you become. The skull is an individual in the beginning of their life-later to establish themselves, shape their personality and choose their own morals to make them who they are today.'* - Alayna

# A YEAR OF WONDERS

---

**On the first school day of 2020, nobody expected the year we have had.** We had plans for camps, debutante balls, graduations, formals, productions, concerts and much more. We were excited to welcome our new Year 7s to the College and were looking forward to sharing an amazing year of learning and celebration of milestones with our Year 12 students.

We began the year reasonably normally, holding the Year 7 Camp and Interschool Swimming Sports. However, by late March we all knew that 2020 was not going to be 'normal', and it hasn't been.

I want to begin by recognising the hardship the Covid 19 pandemic has brought to our community, both from a financial, educational and wellbeing perspective. However, it has also resulted in remarkable achievements, the building of resilience and the emergence of great leaders throughout our community. Our staff and students have been creative, inventive and robust this year to ensure that opportunities were not missed, in fact, new opportunities were created for everyone. These are just some of the moments which made me proud this year.

Firstly, I want to congratulate all of our students for the resilience they have shown this year. Our students have been remarkable learners this year. Not only that, they have been kind and considerate to their peers and to staff. They have worked with their teachers to ensure this year brought about success and achievement.

Our Year 12 students put together a collection of 'thank you' videos to thank the College staff for their support and

work over remote learning. The graduating class of 2020, are the most considerate and kind group of young people. They have been a credit to the College.

Organising a production in a lock down environment was always going to be a challenge, however, through ingenuity, perseverance and hard work, the pantomime team were able to put together a virtual production which showcased the talents of both our performing arts students and staff. It was great to see our students getting involved and contributing to the College community.

Simply running classes remotely was always going to be a daunting experience for both staff and students. We were all faced with the need to adapt to new technology, overcome our insecurities to 'turn on' our cameras and to work without the routine that an 'onsite' school experience provides and do this quickly. The resilience, cooperation and goodwill demonstrated by staff, students and parents as we learnt together, ensured the learning continued, relationships were maintained and we continued to operate as a Mooroolbark College Community.

The significant involvement of college community in supporting the education of students and maintaining their connectedness to school is a highlight of 2020 for me. The involvement of parents and siblings who supported our weekly House Photo Competition during the first remote learning experience, and the families who contributed to the welcome back to school Spoonville display, demonstrates the support Mooroolbark College has received from its families. Thank you to every family member who guided and supported their child through remote and flexible learning. It truly demonstrates that when teachers, students and families work together, we can achieve great outcomes for our students.

It was a memorable day on Monday 25th October when we were able to welcome back to the College all our students from Years 7 to 12 after almost 20 weeks of remote learning.

This is likely to be a day I don't forget quickly. The school felt 'normal' again, despite the sea of masks. All students and staff back at Mooroolbark College doing what they do best, teaching and learning.

The staff of Mooroolbark College have always been and continue to be, a wonderful asset to the College. They are caring, compassionate, dedicated and committed to providing an outstanding education for every Mooroolbark College student. This year was no different and as always they worked tirelessly to provide the best educational opportunities for every child. My sincere thanks goes to each and every one of the Mooroolbark College staff.

2020 has been a year of learning for everyone, and I am confident that at Mooroolbark College we will take the best from the experiences of this year and incorporate them into the way the College operates in the future.

### Farewells

Each year we say goodbye to a small number of staff. I would like to thank the following staff for their contribution to the College and as a result of their contributions, left Mooroolbark College a better place.

From the English and Humanities Departments we farewell Mrs Marie Norris, Mr George Dimitra Lyons, Ms Robyn

Cooper, Ms Ntina Delgas, Ms Sally Groves and Mr Liam Hope. These staff will be missed.

The Science Department is farewelling Dr Naim Abasszade. We thank Naim for his many years of service at the College.

Mr Aaron Halstead is leaving the College after spending a year sharing his primary school teaching experiences with the Maths and Humanities Teams.

We thank Mr Luke McCormick who has taught in the area of Physical Education, for his contributions to the College.

We wish Ms Laura Bonne (The Arts), all the best in 2021 and beyond.

Our percussion instrumental teacher, Mr Ross Crowley completes his service with Mooroolbark College at the end of the year.

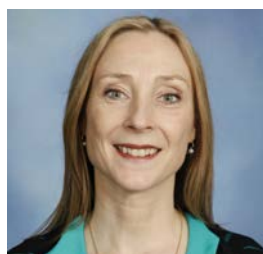

Our Education Support Staff are essential to the operation of the College and we farewell the following staff, Mrs Janice Cooper (Canteen Manager) and Mrs Jana Lant (Literacy Support) at the end of 2020.

As 2020 draws to a close, I wish everyone all the best for 2021 and hope that next year brings a more normal year.

Best wishes

**Ann Stratford - Principal**

## ASSISTANT PRINCIPAL TEAM

**2020.** No one could have predicted a year like this that has posed unprecedented challenges to everyone in our community, but particularly to our teenagers who had not only had significant impact to their schooling but much of their social and recreational pursuits decimated. Our big challenge throughout remote learning was keeping our students and staff connected. We worked diligently to maintain some normality and connection through Home Group, House assemblies and encouraging staff to continue issuing merits for students demonstrating our values of Respect, Endeavour, Resilience and Compassion. Traits that have been called upon at various times throughout the year.

The resilience of our students in this time and the compassion of our staff had us navigate this challenging period with an even greater sense of gratitude and purpose of what school life is all about. It was a genuine thrill to have

our students return in Term Four. Re-establishing routine, renewing old friendships and the sound and energy returning to our classrooms reinforced that we were seeing a return to much desired normality.

The College also went virtual, hosting our first ever virtual tour instead of Open Night, along with various information nights, awards ceremonies, assemblies and performances. The continued growth was seen in the many online art presentations, instrumental performances, dance and drama pieces and the hugely successful production of the pantomime 'Alice in Wonderland'.

The Curriculum teams worked extremely hard throughout the year, ensuring our students continued to have a guaranteed and viable curriculum that continued to engage students as we moved in and out of remote learning. It was fantastic to see the positive learning outcomes from our students throughout this time as they were shared on our social media. The full launch of the continuous reporting during this time ensured the college

kept parents constantly informed of their child's learning outcomes.

As sad as it is farewelling our Year 12's each year, going through the process of appointing our various student leaders for 2021 really helped signify the new shoots of life growing in our community and provide a sense of invigoration looking forward to 2021. This new leadership will come to fruition in the coming year combined with the completion of the new buildings. These include the 'Discovery Centre', comprised of 6 new classrooms focusing on Enquiry based learning and working collaboratively with the Yarra Ranges Tech School, and the Administration building showcased at the front of the College.

So much achieved, so much learned, so much to look forward to. Bring on 2021!

**Samantha McIntosh, Rachael Williams and Adam Lorkin**

## COLLEGE CAPTAINS

### What a year!

While it was not what we wanted, nor what we expected, we as a cohort certainly made this year one to remember. We are so proud of the resilience our peers demonstrated as they adapted to the unexpected challenges that this year provided. That being said, we feel that the bond between our cohort has grown stronger than any other year level before us as a result of the adversity we faced.

On behalf of the cohort we would like to give a huge thank you to the staff and faculty who have supported us throughout these trying times. Their efforts have not gone unnoticed and they are truly unsung heroes. The support from our parents is further greatly appreciated as they have undoubtedly been pillars of support for their progeny. The privilege of being College Captains is not lost on us and we are so grateful to have had this role and the opportunity to lead our school. While at the time of writing this, the future remains a mystery to many of us, we truly believe that everyone in the year level is capable of achieving greatness and handling anything life throws at them.

Good luck to all and we look forward to hearing of all your endeavours!

**Shae Libbis and Matthew Bethell**

# STUDENT REPRESENTATIVE COUNCIL

This year the SRC planned to continue work on the College Values Murals, however due to COVID 19 we were unable to do so and have instead planned what could be done next year for those murals. The SRC created Homegroup challenges to encourage students to participate in activities like our virtual Heritage Food activity. This was instead of our normal Heritage Bake Sale. Another Homegroup activity that the SRC created and promoted was the Pet or Wildlife photo challenge where students took a photo of their pet or wildlife.

During the year, the SRC also held several Free Dress days that were a success. The SRC encouraged students to write a short message for Miss Rosendale which we then turned into a collage which was given to her before she left to have her baby.

Unfortunately, the SRC was unable to hold most of its events like Carnival Day, but we are hoping that next year we can hold all of these events without restrictions.

**Acacia Pearce - SRC President**

## SRC

- Row 3: Dannielle Cox, Alexis Wilkinson, Asher Dryden
- Row 2: Holly Waite, Ella Strahan, Jason Kennedy, Arshiya Toghai, James Coote, Riley Williams, Rhianna Gray
- Row 1: Austin Leonard, Olivia Szalay, Shae Libbis, Acacia Pearce, Jasmine Jackson, Matthew Bethell, Tara Varley, Cameron Sheedy-Mackenzie
- Cluster Coordinators: Miss Sarah Coghlan, Mrs Mia Sund
- Absent: Mischa Caran, Luke Crisafulli Dufton, Aiden Hughes, Bailee Kempton, Keira (Kai) Rogers, Samuel Thomas, Myah Trewavis

NOTE: DUE TO PRIVACY RESTRICTIONS, SOME STUDENTS' IMAGES HAVE NOT BEEN SHOWN. FOR THE SAME REASON, SOME STUDENTS' NAMES HAVE BEEN OMITTED.

# KEY LEARNING AREAS

## ENGLISH

Unexpected, extraordinary, uncommon, bizarre, remarkable, unusual. Some terms that fittingly describe this year without using the tired word 'unprecedented'. It has been exciting to have new and brilliant teachers with us this year in Lucy Badrock, Leilani Foleti and Liam Hope. They have impacted the faculty in an extremely positive way and have been greatly received by all their students.

We also pay our thanks and gratitude to George Dimitra-Lyons who retired from teaching at the beginning of the year. His constant source of expertise and leadership over many years at Mooroolbark College was immensely appreciated and we wish him all the very best for his plans ahead.

Despite the unorthodox English lessons, we have navigated together, the English faculty are incredibly proud of all students that have managed to meet their goals in their English classes and it is something we will definitely learn from.

Looking ahead, English are involved in some integral programs that provide scope and opportunity for students and their developing literacy skills. Ruth Culham's 6+1 Traits of Writing provides a successful framework for us to build upon and embed within curriculum at years 7-10 which we believe will make a lasting impact on students' capacity.

Dovetailing this, we look to include new practices and expectations within our classrooms that involve the reading of set texts outside of class, and engage activities as per our school instructional model and a revamped approach to our major outcomes, with a newly developed assessment process that we look forward to using in 2021.

We wish you all a joyful finish to this year and can't wait to see you back ready and raring to go!

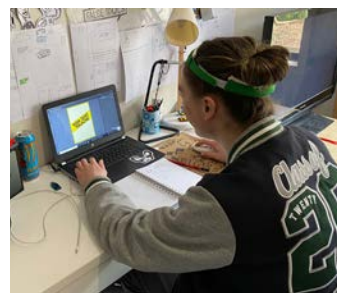

### Tyrone Ingham and Sarah Garnaut

## THE ARTS

This year has been a fantastic year in The Arts; not the one we expected but our staff and students have managed to excel in each of their areas. The calibre of student work completed onsite and during remote learning has been exceptional. From our Year 7s in Art and Drama through to the students in our new core Year 9 Art subject through to our VCE students in Studio Arts, Media, Music and VCD. The students have been working hard all year and have created some fantastic work as a result.

This year also saw the exciting new introduction of a second yearly production. The introduction of a yearly pantomime will give the junior students a chance to perform on stage. This year due to various restrictions the pantomime of Alice in Wonderland: Isolation Edition moved online to great success. We can't wait to put on the live pantomime early next year.

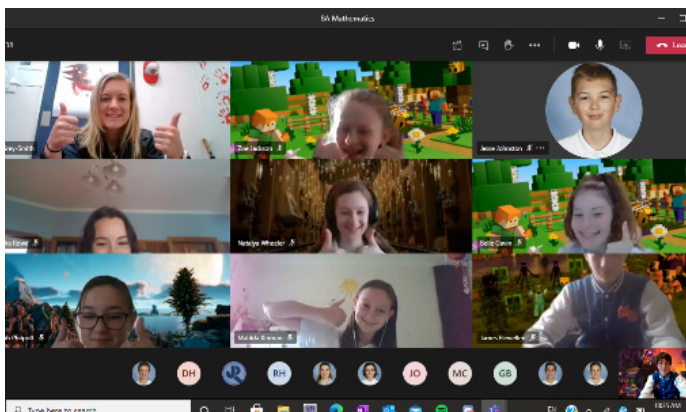

Continuing with the theme of events occurring online this year, Term 4 saw a number of events take place. Occurring online via our Facebook page at the start of Term 4 was the 8th annual Mooroolbark College Film Festival, which was a fantastic night showcasing the highly engaging films created by our Media students. Following on shortly after the Film Festival was The Arts' Week of Excellence. This year the event involved a nightly post, highlighting the different areas of excellence in The Arts, including drama, dance, visual arts, media and music. Finally, our end of year music concert also moved online to a huge response.

Congratulations to all of the students that were still able to exhibit their amazing work online.

### Matthew Neil Holland

# MATHEMATICS

A big year of learning all around for everyone involved in the Mathematics department. Students and teachers together explored new ways of learning and participating in maths activities via remote learning. Term 2 was filled with new learning experiences, however, we gained momentum during Term 3 remote learning.

We welcomed one new staff member to the Mathematics team; Brad Mitchell and what a great start he has had.

Our Year 7 and 8 students have continued to develop their numeracy skills and are beginning to select and work towards their own individual learning goals in Mathematics. This is done using Class Notebook which allows students to have flexibility within their learning and to work at their own pace.

Whilst we feel remote learning didn't stop our progression, nothing beats being in the classroom where students are able to work collaboratively and investigate mathematics in the physical environment. Bring on 2021!

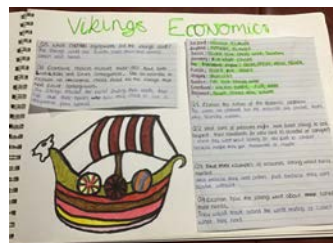

## Jade Hubben

# HUMANITIES

What an extraordinary year! It's been one of discovering new technology and exploring online learning. Our students have discussed and reflected on the unique overview our disciplines enable us to have on a rapidly changing world. It's been a year of experimentation and innovation, as we made great progress in adapting to increased online learning, before returning to the College later in the year. Highlights have included:

- Many quizzes and interactive activities, including Ancient Roman "Pwuzzles" (Year 7 History).
- Fabulous megacity assignments – students worked online to create the most insightful presentations on characteristics of the world's largest cities, their issues and management solutions (Year 8 Geography).
- Virtual tours of the Mornington Peninsula (Year 10 People and the Planet) and outer northern and western suburban grassland reserves (Year 9 Sustainable World).
- The Year 11 History class enjoyed a virtual tour of the Jewish Holocaust Museum. Usually, students hear one or two tales of incredible survival, but this time there were many more.
- Year 7 Geography students demonstrated great endeavour and imagination with the Suburb Design CAT assignment.
- Year 11 Legal Studies students completed a Sentencing Advisory Council quiz, and an activity titled You Be the Judge. A murder case was presented, and students had to consider relevant arguments and then make their own judicial decision. It turned into a very enjoyable and thought-provoking discussion.
- Year 12 Legal students enjoyed great video presentations with everyone taking part. The videos really helped everyone reflect on what a special year it's been and how a common factor throughout has been students and staff working and helping each other to achieve our goals.

After eleven years at MC, we farewelled Mr Chris Seabrook, a very hard-working, popular and ever helpful member of the Humanities KLA. In Term 3, we welcomed Ms Natalie Bisi. With her strong background in Geography and Commerce subjects, Ms Bisi will be a valuable member of the team heading into the future.

## Chris Hanneberry

## SCIENCE

This year looked very different to past years in Science. We didn't get to spend as much time as we would have liked experimenting in our labs and we didn't get to venture out on the many excursions we had booked. During remote learning however, staff explored their creative minds and developed engaging lessons for their students through the use of ICT and developed activities requiring materials that could be found around the home.

Year 10 students studying Psychology conducted experiments from the comfort of their own homes. One test that students undertook was the Stroop Effect; students discovered just how hard it is to name colours! Physics students spent time exploring concepts and completing the practical components through online simulations, such as using PhET and Desmos. Chemistry students experienced a combination of theory lessons and application of their learning through activities and experiments.

Year 11 Environmental Science students created informative and thought provoking presentations which addressed issues such as recycling, climate change and sustainability. Unit 3 Biology students took their knowledge of the function of the different immune cells and applied it to different characters from The Avengers such as Hulk'rophages (Macrophages) engulfing foreign enemies to Cy-THOR-toxic T-cells initiating apoptosis of host cells.

Term 3 saw us celebrate National Science Week, the theme was 'Deep Blue: innovations for the future of our oceans'. We held daily quizzes, a virtual escape room challenge and a themed bake off. Congratulations to all students, their families and staff who participated.

We cannot forget to mention our pets, Sheldon and Franklin. They have been thriving throughout this year and are thoroughly enjoying their new homes.

After 32 years of teaching at MC we farewell Mr Naim Abasszade. Both staff and students will miss you.

Skye Jennings

## HEALTH AND PHYSICAL EDUCATION

What a year it has been for teaching Health and PE. Due to Covid-19 restrictions there were times students and parents could only be outside to exercise for 1 hour however, like the resilient community we are students embraced the challenge and found new ways to be active...even if it meant destroying the family living room for an obstacle course.

I'd like to congratulate all the students, parents/guardians and teachers on their amazing efforts in finding creative ways to deliver Health and Physical Education classes and to all of you for staying as active as possible during remote learning. There were so many wonderful activities that students had the opportunity to participate in including the "Who Can Get to Camp First?" walk/ride/run/skate challenge, personal goal setting and physical activity diaries, pet and friend workouts, virtual individual and group challenges and so much more. I'm sure I speak for all pets when I say that they're happy they can have a rest now that school is back onsite.

This year we have all learnt many things about ourselves but overall, we have learnt the power and importance of movement and physical activity for our health and well-being. Staying active is so vital, not only for those necessary screen breaks, but for our mind and body so that we can continue to work to the best of our abilities in school.

2020 has been a year we won't forget; however, I am looking forward to seeing students participating in all the sporting events next year including Swimming Carnival, Athletics Carnival, Cross-Country and Interschool Sports.

Stephanie Todd

# LANGUAGES

Languages have had a busy, if unusual, 2020 with none of the normal highlights spared the impact of Covid 19.

We are so proud of our students who checked in every week to remote learning, who actively took part in the online activities and made the most out of difficult circumstances, who shared their screens and experiences to try and make it as normal a classroom as possible. We were so impressed what was able to be achieved by students who followed the guidance provided, sought advice and read their weekly feedback in order to improve their submissions. That was amazing. It made everyone's return to a Covid-normal classroom so much easier.

The lockdown also proved to a much greater number of students just how useful and practical our digital learning tool Education Perfect is. The weekly tasks kept students focused on key vocabulary and allowed them to see their own progress prior to the inevitable assessment... it wouldn't be school if there wasn't some of that also. Our staff also learnt how to use more digital media in order to teach more effectively and these facts combined allowed students and staff to run one of their CATs wholly online using Education Perfect. It has been such a success, that it is our understanding that it is even being rolled out across other faculties at MC in 2021.

We must not forget that despite the obstacles we faced in 2020, we were happy to maintain one routine: Our students once again excelled in the EP online World Championships in Term 2. MC excelled in German and overall came 27th out of 1186 competing schools. We would like to acknowledge our highest Chinese and German achievers in the competition: We had two Gold Awards (3000 points) Gabrielle Bouwhuis and Ash Missen; three Silver Awards (2000 points) Harry Cathie, Sienna Harper and Tiana De Vincentis; and seven Bronze Awards (1000 points) Olivia Tarulli, Leah De Vincentis, Ollie Pendavingh, Jacob King, Minh Nguyen, Austin Leonard and Rocky Hughes.

We would be amiss in not recognising the efforts of our most recent addition to the team, Mrs Yi Jiang, who, despite beginning her work here during the lockdown, has shown herself to be a hit with the students and fitted in seamlessly with the staff and the college as a whole. 2021 should also see the eventual return of Mrs Jiaqi Tan after maternity leave, which would see our faculty increase by a whole 33.3%!

Finally, we want to extend our congratulations to all our deserving hard-working students and we wish everyone the best for the end of the year, the summer break and hope for as much normality and consistency for 2021 as the circumstances will allow.

Andrea Henderson, Jonas Bahlo and Yi Jiang

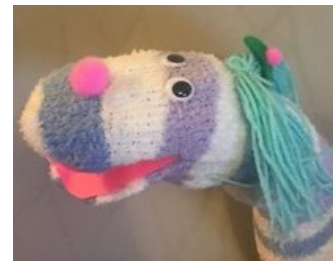

# TECHNOLOGY

2020 has certainly been a challenging year. In Technology Studies this has certainly been true as we are a predominately hands on subject. However, with the advent of remote learning, the creativity and ingenuity of our staff and students came to the fore.

Students were encouraged to cook meals at home, using the information studied to prepare nutritional and healthy meals for the family. They were also challenged to make products satisfying design briefs including making their own designer desserts, pies, burgers, muffins and meal kits. The students are to be congratulated on the quality and creativity of their results.

Textiles students were encouraged to design outfits for use in taking the bins out and they designed and produced a range of sock puppets. They explored and experimented with design techniques producing amazing tie dyed, bleached designs, block painting, sharpie and shaving cream designs. Our students' commitment to their design work has been exceptional.

Woods, Metals and Systems students looked at safely operating machines and equipment online so that when they returned to the classroom, they were ready to start work. Students were also introduced to design tasks and were given the opportunity to use SketchUp and TinkerCAD as a way of using the computer to help display their designs.

When we were at school in person, students worked hard to complete their projects. Students developed many new skills and missing out on practical time meant they were grateful to be doing things with their hands.

Andrew Dingey

# PRODUCTION

Like many things this year, COVID-19 prevented both the major Mooroolbark College production of the Addam's Family and the Junior production pantomime of Alice in Wonderland, from going ahead. Instead, Mrs McIntosh had the brilliant idea of turning our on-stage production into an online production. So instead of prancing around on stage, our brilliant cast performed and recorded from their own homes. The final production was a masterpiece.

Congratulations to the cast and thank you to Mr Neil-Holland for spending tireless hours, cutting together each student's filmed piece to turn into a whole film. Next year we will be putting it on stage in Term 1, so these stars can finally reach the stage. Thank you:

Jasmine Lynch ~ The Rabbit

Ashleigh Edwards ~ Alice

Laura Harrison ~ The Mad Hatter

Mia Goeree ~ Queen of Hearts

Hayley Lamb ~ The Storyteller

Owen Wahrenberger ~ The March Hare

Maddison Christensen ~ The Dormouse

Tegan McDonald ~ Tweedle Dee

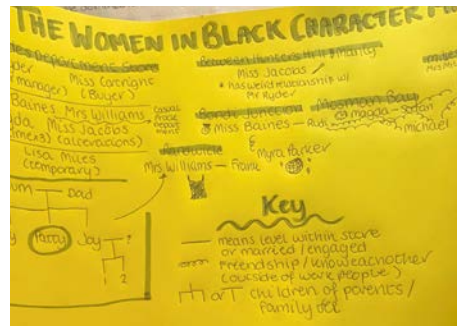

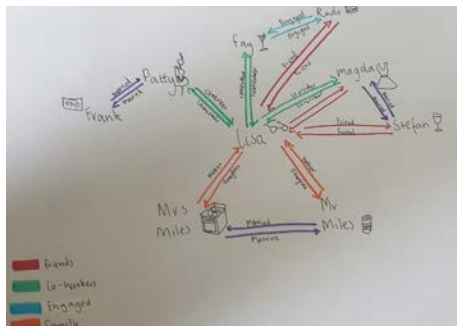

Acacia Pearce ~ Tweedle Dum

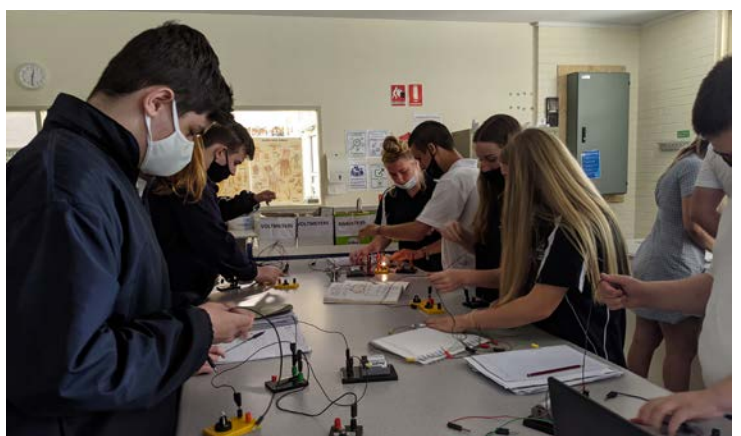

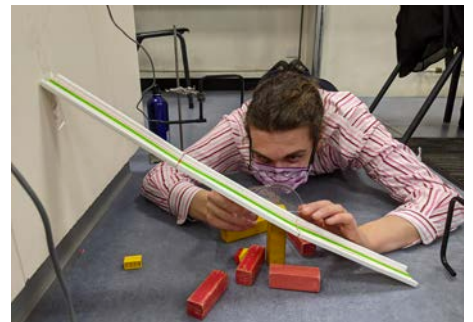

Ruby Cassidy ~ The Guard and The Footman

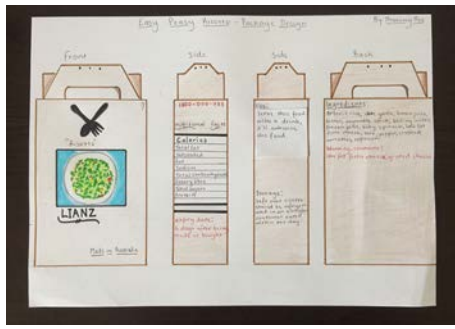

## Mia Sund

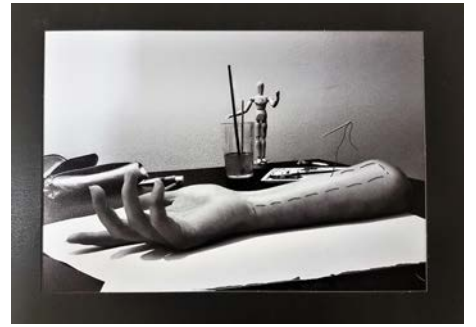

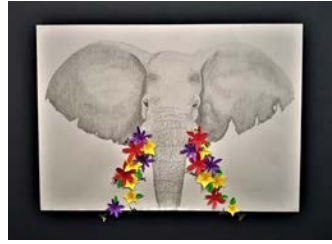

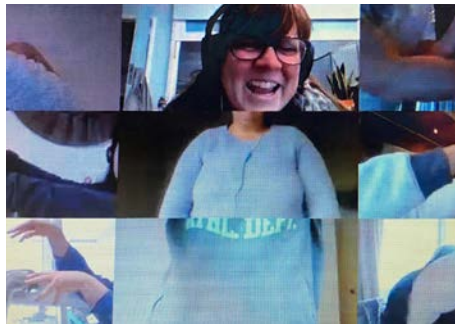

# TWENTY TWENTY VISION

# YEAR 7 FOREST EDGE CAMP

This was the first camp for the Year 7's and it was so fun.

Some of the most loved activities were the massive water slide, going down the river and the tree tops obstacle. When we went down the river it was so cold, but extremely fun, and on the way down to the river we all saw heaps of kangaroos! There were kangaroos throughout the whole camp and it was really cool to see them every day.

The tree tops obstacle was also a blast. Once you were harnessed you could climb up the high ladder then do all of the obstacles. There were obstacles like a thin rope to walk along, a net to climb across, and even a small zip line at the end.

Another amazing activity was the massive zip line. After a long walk to the top, you would get strapped in and zoom all the way back down to the bottom where there would be two other students to grab you. This was a favourite activity of many of us.

The other activities were things like spa scavenger hunt, a bush walk, hut building and frisbees. We also had free time where we could go on the trampolines, sit and talk, run around in the grass, or even play caged soccer which was joyful. There were also many indoor free time activities like rock climbing, indoor soccer, basketball, and a few other entertaining games.

We each had cabins with a few of our friends. These cabins were where we showered, slept and talked in throughout the whole camp. The meals we had were in the dining room. Breakfast had options like toast with Vegemite, butter or jam, different cereals like Rice Bubbles and Cornflakes, and porridge. Lunch and dinner were different every day. Some dinner and lunch meals we had were pasta, burgers, sandwiches, and vegetables. And most nights we got to have a night snack/dessert. These snacks included sweet treats like apple crumble.

This camp was extremely fun and a great time for all year 7's and we can't wait for next year!!

## Niamh Delaney (B7)

*"My favourite memory from camp was facing my most horrified fear of the waterslide. It went at a 900 hill (well to me it did!) I faced it, even though I screamed my head off!" – Makayla K*

*"At camp I enjoyed the high ropes even though I fell at one point and thought I would die" – Mikayla B*

*"I liked the river sledding, it was so fun to float down the river, even when I got splashed in the face by my friend!" – Hayley S*

*"Something that stood out for me was how many new friends people made."  
- Zeke C*

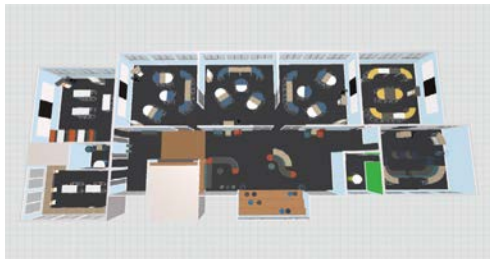

*"I loved sleeping in the cabins with my mates and that Luke slept on the floor" - Austin L*

# STEAM

In 2020 a STEAM initiative has grown within Mooroolbark College. It has taken the shape of our new building, the Discovery Centre. As the name suggests it is a place for students to discover and actively apply their learning.

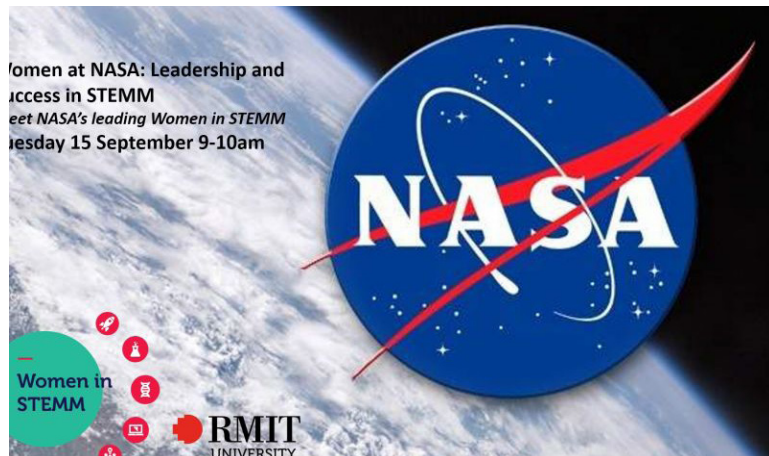

We are excited to see our Discovery Centre open in December ready for classes for 2021. The centre has been custom designed to foster and accommodate an active application of learning. Each learning space is unique allowing for students to immerse themselves creatively. There is a STEAM lab, presentation suite, green screen room and collaborative classrooms that can interlink. Within our Discovery Centre we aim to foster a 'Design Thinking process,' an environment where students can apply their creative processes, applying different knowledge sets, mindsets, skillsets and toolsets.

Across 2020 students have had the opportunity to participate in remote STEAM initiatives. Students enjoyed working with the Yarra Ranges Tech School completing on line courses. During this time, we worked closely with Tech School and Deakin University supporting Pre-service teachers to work alongside our students remotely. This collaboration opportunity for emerging teachers covered key learning areas within the college - Science, Technology, Engineering, Mathematics, Humanities, Arts and Social Science. The importance of cross curriculum cooperation was a key part of programs and the underlying Human Centred Design Thinking process.

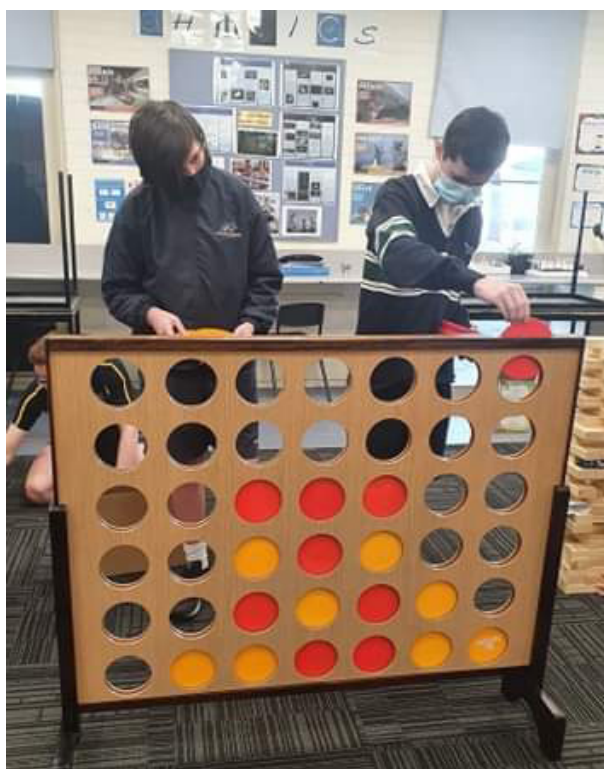

Women at NASA: Leadership and Success in STEMM

What an inspiring live teleconference this was. Female students from Mooroolbark College ranging from Year 8 to 11 participated in a live event with a focus towards Women in STEM careers. They were able to hear about what steps they can take to reach great heights in careers in Science, Technology, Engineering and Maths.

Denise Raven

# CROSS COUNTRY

Due to COVID-19 restrictions, the 2020 House Cross Country Carnival was held on campus rather than at our usual venue Lilydale Lake. Students in Year 7, 8 and 9 competed in their P.E class and senior students had an opportunity to race during lunchtime. The Yellow Stingers were our champions for the seventh straight year, a remarkable achievement from all involved.

Congratulations to the following students who placed first overall in their respective year levels!

Year 7: Jonathan Tung Dim and Jordy Allen

Year 8: Liam Price and Tiara Willis

Year 9: Sean Farrelly and Tara Barnewall

Year 10: Jackson Addicott, Hayden Smith, Jordan Scott (tied) and Alayna Corner

Seniors: Flynn Addicott and Georgia Booth

**Ryan Exon**

# HOUSE CUP CHAMPIONS 2020

What an amazing year this has been. More so than ever before, have our students, staff and school community demonstrated our College values of resilience, compassion, endeavour and respect. Despite such an interrupted year we still managed to run many of our House competitions and activities, such as Swimming Carnival, Cross-Country, Language Perfect, Premiers Reading Challenge, Principals Awards, Merits and Remote Learning House Activities. All of these contributed to make 2020 a close competition.

A special mention goes to the following houses:

- Yellow House for earning the highest points for sporting endeavours in the Swimming Carnival and Cross-Country.
- Yellow also earned the highest points for school community involvement, just beating Red House.
- Blue House for earning the most individual merits as well as an impressive 10 Principal Awards.
- Red House for the highest Academic points for the credits, Distinctions, High Distinction and Honours their student's earned.

A big thank you to the House Captains and Coordinators for another fantastic year.

- 1st **Blue House** 9035 points
- 2nd **Yellow House** 8563 points
- 3rd **Red House** 8384 points
- 4th **Green House** 8146 points

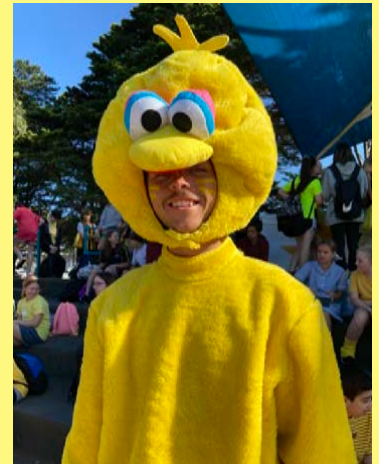

**Betty Metaxas**

# YELLOW HOUSE

2020 – What a year! In a year of unpredictability, Yellow house students have risen to the challenges faced and shown resilience and perseverance to overcome a range of obstacles and hardships.

Yellow House started the year strong, taking out the Swimming Carnival for the 5th year in a row having the highest number of participants. Our Senior boys brought home the trophy which was decided in the last race of the day. Yellow House backed it up by winning its 5th consecutive Cross-Country trophy as well! Go the Stingers!

Over 200 values awards were still handed out to students showing Respect, Resilience, Compassion and Endeavour, with a special mention to Cam Sheedy-McKenzie, Rhys Wyngaard and Jordan Van Der Geer for receiving a Principal's Award (5 merits in each value).

Academic achievement was once again a real strength of Yellow House. The mid-semester academic awards assembly was terrific, with all students showing interest and encouragement to all the award recipients. A special mention goes to Amy Pearce – Year 8 DUX, Tara Barnwell – Year 9 DUX and Jesamine Newman – Year 11 DUX.

A thank you to our Yellow House Senior Captains this year; Daniel Phillips and Flynn Addicott, supported by the Middle School Captains; Amy Oliver and Tara Barnwell, who have consistently made valuable contributions and supported Yellow House in 2020.

**Yellow House team – “we are not just a house, but a home.”**

Well done to all students on a fantastic year. Enjoy the holidays and we look forward to seeing you relaxed, rejuvenated and ready for 2021.

**GO STINGERS!**

**Matthew Bell, Rhonda Harker and Jordan Van Keulen**

**SENIOR CAPTAINS**  
Daniel Phillips and Flynn Addicott

**MIDDLE SCHOOL CAPTAINS**  
Amy Oliver and Tara Barnwell

# RED HOUSE

What a year 2020 has been. Red House students should be extremely proud of the way they have faced the challenges the year has thrown at them. They have shown resilience and adaptability throughout their remote learning.

Our carnival days showed the spirit of Red House with many students getting involved in dressing up and showing enthusiasm for their house. 3rd place in the Swimming Carnival and 2nd place in Cross Country – with student contributions gaining us valuable house points.

Students in Red House collected over 2000 merits throughout the year showing resilience, respect, endeavour and compassion. Congratulations to Sam Thomas, Nick Attard, Ella McIntosh and Tyler Charlton for receiving Principal Awards (5 merits in each value), this is an outstanding achievement! Red House achieved the highest amount of points through academic achievements, congratulations to all students who achieved Dux, Honours, High Distinction and Distinction awards.

A big thank you to our Senior Red House Captains; Alex Linne and Kaeli Farrelly, and the Middle Red House Captains; Alex Strahan and Cooper Williams, for going with the flow this year and for always being eager to contribute in any way they could. Your enthusiasm at the Swimming Carnival was sensational and your willingness to present at assemblies, even virtually, is admired. In 2021, we welcome our Senior House captains, Cara Schofield and Tristan Torriero, along with our Middle House captains, Hayley Lamb and Ritika Panwar. We can't wait to have your energy and ideas in the Red Devils team.

This year there have been some changes in the Red House Office. At the beginning of the year Lucas Unland joined the team as a Cluster Coordinator and Allie Grey-Smith joined the team, taking over from Sarah Rosendale who has gone on maternity leave. We wish her all the best with the adventures ahead.

We wish all our Year 12 students the best in chasing their dreams and congratulate them on completing what has probably been the toughest year of schooling yet. To everyone else, thank you for all your great efforts throughout the year. Have a safe and happy holidays and we are looking forward to seeing you back in 2021!

**Allie Grey-Smith, Belinda Cannington and Lucas Unland**

**SENIOR CAPTAINS**  
Kaeli Farrelly and Alexandra Linnie

**MIDDLE SCHOOL CAPTAINS**  
Cooper Williams and Alex Strahan

# GREEN HOUSE

What a year 2020 has been. I have been so proud of all the Green House students for the resilience they have shown through the ups and downs of 2020.

One of the highlights of the year was definitely the weekly Home Group challenge during Term 2. We had a variety of optional activities for the students to participate in, from trick shots to backyard athletics and it was such a good way for me to end the week, checking out everyone's entries. Thanks to all the students (and sometimes families!) that took part and earned points for Green House.

Green House started the year with a new house chant – Green House is HOT TO GO! We surprised the other houses at the swimming carnival and they sounded fantastic! All our four captains led the teaching and performance of the chant wonderfully and the students cheered with gusto.

Poor Jerome and Naomi, our Green House gnomes were also affected by COVID-19 and had very little adventures in 2020. I can't wait to get them out and about with the students in 2021 and see what they get up to!

Whilst Green House remains at the bottom of the leader board at the end of 2020, I am very pleased to say that we are closing the gap quickly and building a culture that the Green House students should be proud of. Students are feeling connected to the house and I really look forward to seeing what 2021 brings us.

A huge thank you to all the Green House Home Group teachers, as well as Ms. Whitby, Ms. Roberts and Mr. Scott. And well done to our captains, Meg Mast, Connor Tisch, Carla Hunaidi and Charlotte Gardiner for leading the house through a challenging year.

**Michelle Collette**

# BLUE HOUSE

The end of Term 4 is a great time to reflect on the many fantastic achievements we have made over the year. It's important to take the time to give ourselves credit for our hard work. I have been most impressed with student conduct and the resilience shown by all of our Blue Thunder students.

At the start of the year, we welcomed a new group of Year 7 students into the Blue Thunder family. It has been wonderful getting to know another remarkable group of young students who have already made positive contributions and will make sensational leaders in the near future.

We have seen several amazing achievements in 2020. From the most number of merits and Principal Award winners to our amazing spoons in our Spoonville. It was particularly impressive awarding three students from Blue House with the Dux award for their year levels. Isabella Ingram (Year 7), Hayley Knight (Year 10) and Caitlyn O'Rorke (Year 11) worked tirelessly and should be congratulated on their efforts.

We also finished a respectable second at the Swimming Carnival after leading all day and falling short in the very last relay race. A special mention to Georgia Gray who completed the set and won her 6th age group champion.

All of these amazing achievements have led to us raising the House Cup for 2020. A great reward for all our students' hard work and determination this year.

I would like to acknowledge the great work of our Blue Thunder captains. Georgia Gray, Keely Butler, and Ciara Delaney all led with passion and enthusiasm and were fine role models to the rest of the students. It was extremely easy working with students who really want to see the College improve and supported students to feel connected across the House.

In farewelling our Year 12 students, we acknowledged their great qualities and the skills they take forward into their future. It has been amazing to see their growth over the years at the College and we wish them all the best in their future endeavours.

Blue House wouldn't be the same without the hard work and dedication of our outstanding Homegroup teachers. These staff have ensured the students have a friendly face to greet them each morning and support them in their studies. I want to thank Abbie Hansen, Allie Grey-Smith and Chris Stephen who have continued to provide our students with ongoing support, mentoring and care throughout the year. Their commitment and enthusiasm makes the office a safe place for students to seek help or support or even that toasted cheese sandwich. It is wonderful to work with such positive role models.

It goes without saying 2020 has been a crazy one. From toilet paper dramas to all the microphone troubles during remote learning. Let's all use this summer break as a chance to refresh and recharge and bring our A game into 2021. I look forward to hearing about your adventures next year.

## Andy U'Ren

MIDDLE SCHOOL CAPTAINS  
Zachary Bos and Ciara Delaney

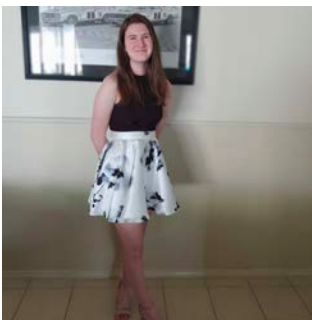

Thank you to our remote  
learning heroes

# INSTRUMENTAL MUSIC

What a year we've had! With all the extra challenges we've all faced with Remote Learning this year, the staff have been very proud of the way in which our music students have managed and thrived. While things were often a little different to our normal onsite schooling, music lessons ran as usual using TEAMS like other subjects. It was great to see our music students adapting so easily to this new way of learning and hearing their progress during their weeks at home.

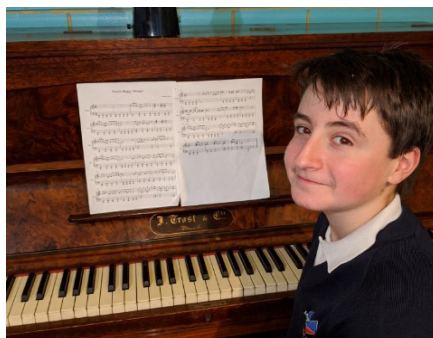

Our Year 7 students began the year with a woodwind and brass workshop where all students were given the opportunity to play flutes, clarinets, saxophones, trumpets, trombones and a French horn. This is always a great session, watching everyone have fun making all sorts of amazing sounds on instruments that they've never played before.

Our main concert for the year was an online performance where students submitted video recordings of themselves performing. These recordings were then edited together and uploaded for parents, families and students to watch. We have some truly talented young musicians at our College, whose hard work and dedication shone through in the performances we were treated to.

Congratulations to all of our music students on another wonderful year. We wish our Year 12 musicians every success in the future and look forward to seeing our continuing students in 2021.

**Lisa Gaudion**

# MINDFULNESS MATTERS

Coming together every Friday at lunchtime, Mooroolbark College students delighted in a scrumptious snack whilst taking the time to think and share about the positivity in their lives and were encouraged to reflect on the things for which they are grateful. With 2020 being unlike any other, students continued to enjoy the benefits of Mindfulness Matters during remote learning. Guided meditation and colouring allowed students to relax, unwind and feel a sense of connectedness from the comfort of their own home, where they took time to focus on their well-being.

We look forward to continuing Mindfulness Matters in 2021 and welcome anyone wishing to practice meditation in a safe and accepting environment.

**Jana Lant and Jamila Lopez**

# BOOK CLUB

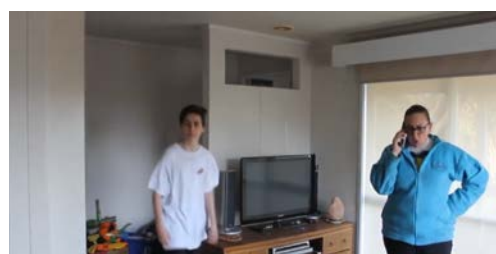

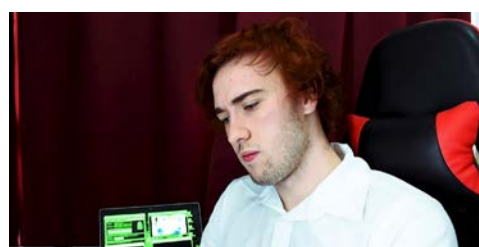

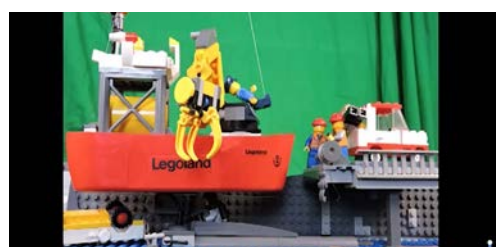

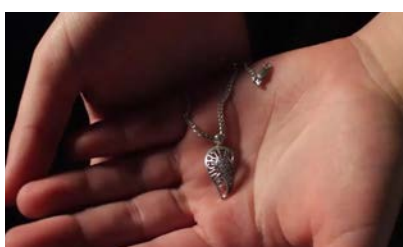

This year included the inaugural meeting of Mooroolbark College's new Book Club. Created by Chloe Bellinger, Emily Reid and Tyla Jo Tarrant of Year 10, the girls wished to create a space where they could discuss their favourite books and meet other book-lovers. From that, Book Club sprang into the magical community it is today; bringing together people who share a love of reading, writing and art. After several awesome sessions held in the library, Book Club moved to Teams to become an online discussion filled with games, activities and plenty of time to chat and catch up.

Book Club has big plans for 2021 as we meet in person once again! If you are interested in joining us in the New Year please speak to Chloe, Emily or Tyla or visit us in the library.

**Evgenia Giles and Tyla Jo Tarrant**

# MOOROOLBARK COLLEGE FILM FESTIVAL

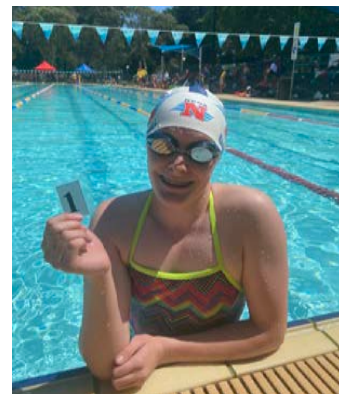

# SWIMMING CARNIVAL

---

On the 17th February, we hosted our annual swimming carnival at Croydon Memorial pool. The weather was on our side with the sun shining and perfect conditions to host the event. The venue was flooded in a sea of blue, green, red and yellow. Each house was heavily represented in the events throughout the day. It was especially encouraging to see the incredible number of students in the walking lane, water polo and dance contests.

Well done to all swimmers who participated and were awarded vital points for their house. We witnessed outstanding results with plenty of students taking away multiple blue ribbons. The Yellow Stingers continued their success in the pool by taking out the carnival in an incredibly close race.

Congratulations to our age group champions!

13 year old girls: Natalya Wheeler

13 year old boys: Fynn Koblar

14 year old girls: Rhianna Gray

14 year old boys: Owen Wahrenberger

15 year old girls: Tara Barnewall

15 year old boys: Nathan Murden

16 year old girls: Taleisha Walker

16 year old boys: Bailey Morris

17 year old girls: Brooke Bellinger

17 year old boys: Kyle Wahrenberger

Open age girls: Georgia Grey

Open age boys: Jason Kennedy

## CLASS OF 2020

---

### Congratulations to our Year 12 Award recipients

**Accounting** - Jordan Blair

**Biology** - Caitlyn O'Rorke (Year 11)

**Business Management** - Taylah McQuillen

**Chemistry** - Matthew Valentine

**English** - Shae Libbis

**English Language** - Jason Kennedy

**Further Mathematics** - Nathan Rancie

**Health & Human Development** - Alexandra Linnie

**History Revolutions** - Matthew Harris

**Legal Studies** - Cerae McDonald

**Mathematical Methods** - Matthew Valentine

**Media** - Hannah Wildner

**Music Performance** - Peter Bell-Muys

**Outdoor & Environmental Studies** - Cara Schofield (Year 11)

**Physical Education** - Jordan Blair

**Physics** - Matthew Valentine

**Psychology** - Alanna Isla (Year 11)

**Specialist Mathematics** - Jason Kennedy

**Studio Arts** - Jasmine Jackson

**VCAL** - Fraser Sheridan and Stefany Villakis

**Damian Abrahams**

**Interests:** Skateboard and producing music.

**School Highlights:** The epic downhill tournament held at lunch time on the last day at school.

**Advice to my Year 7 self:** "Listen Damian don't change anything about you, except the ugly hair cut you had - shave it all off."

**Flynn Addicott**

**Interests:** keeping fit

**School Highlights:** Outdoor Ed camps

**Advice to my Year 7 self:** Don't grow your hair long, it won't suit you.

**Casey Allen**

**Interests:** Paco's Tacos burritos

**School Highlights:** Experiencing a bunch of new things on both school camps and all of the Outdoor Ed camps, getting to do the Deb and meeting some of my best friends.

**Advice to my Year 7 self:** Don't leave things until the day it's due, and don't choose Chemistry, it may be fun but it is really hard.

**Samantha Alpert**

**Interests:** Louis Tomlinson and Harry Styles mostly but also makeup and cheerleading.

**School Highlights:** Central Camp

**Advice to my Year 7 self:** Don't spend so much time worrying about things that don't matter.

**Jared Bak**

**Interests:** Mountain biking

**School Highlights:** Completing Year 12.

**Advice to my Year 7 self:** I don't like giving advice to my younger self.

**Tori Barnes**

**Interests:** Sleeping and long drives like listening to some OG bangers.

**School Highlights:** Becoming friends with Emily & looking at the school tradies at lunch time.

**Advice to my Year 7 self:** Don't be cocky, nothing is permanent so live life how you want to regardless of what people think.

**Owen Bastow**

**Interests:** Chilling with friends, being cool and games.

**School Highlights:** Meeting all my great friends and Year 11 Camp.

**Advice to my Year 7 self:** Enjoy the time you have at school.

**Bawi Bawi Chin Sang**

**Interests:** Music and sport.

**School Highlights:** Bad because I didn't come to school many times.

**Advice to my Year 7 self:** Trying hard to become a perfect student in Mooroolbark College.

**Veronica Bell**

**Interests:** Going to gigs and kicking back with my mates.

**School Highlights:** The relationships that were built with the teachers through the years.

**Advice to my Year 7 self:** Just chill out and make the most of your high school years because they fly by.

**Peter Bell-Muys**

**Interests:** Guitar

**School Highlights:** There's so many, but probably the first three months of 2020.

**Advice to my Year 7 self:** Be more confident.

**Matthew Bethell**

**Interests:** Photography, coffee brewing, History and Matt Valentine.

**School Highlights:** Getting to know and interact with the people.

**Advice to my Year 7 self:** Fedoras aren't cool. Stop wearing them.

**Zak Birznieks**

**Interests:** Anything soccer, Metallica and games.

**School Highlights:** Being able to meet so many amazing people over many awesome years, but if you want one moment, anytime someone spelt my first name with a K, NOT A C! ;)

**Advice to my Year 7 self:** Get your bloody work done, BEFORE it is late!

**Jordan Blair**

**Interests:** Football, running, hanging with my mates and simulator racing.

**School Highlights:** Meeting new friends that I will hopefully remain close to for life.

**Advice to my Year 7 self:** No need to feel anxious or worried about what other people think of you, just be yourself and worry about what you think of yourself and not others.

**Cheyenne Briant**

**Interests:** Anything but school.

**School Highlights:** Central Australia camp

**Advice to my Year 7 self:** It's not as bad as you think.

**Kristy Bright**

**Interests:** Camping, seeing friends and travelling.

**School Highlights:** Going on Central, becoming closer with heaps of people and segwaying around Uluru.

**Advice to my Year 7 self:** Get your assignments handed in on time.

**Jordan Brown**

**Interests:** Gaming and mechanical tinkering.

**School Highlights:** No idea, barely remember last week.

**Advice to my Year 7 self:** Cut your bloody hair.

**Rebekah Buhler**

**Interests:** Hairdressing

**School Highlights:** Definitely the Deb.

**Advice to my Year 7 self:** Stop doing stupid stuff.

**Keely Butler**

**Interests:** Netball and painting.

**School Highlights:** Deb, getting to be all dressed up and spend the whole day and night with my friends.

**Advice to my Year 7 self:** Don't try so hard to fit in and be like everyone else.

**Amy Caldwell**

**Interests:** Anime, writing, working and drawing.

**School Highlights:** The time I spent developing the relationship I have with my closest friends.

**Advice to my Year 7 self:** Don't spend time on those who don't deserve it and to keep pushing on because you'll make it eventually even if you feel like you won't.

**Hayley Cardamone**

**Interests:** Footy, camping and travel

**School Highlights:** Going on Central camp

**Advice to my Year 7 self:** Don't hate school it really ain't that bad.

**Tyler Charlton**

**Interests:** Footy and kicking back with the boys.

**School Highlights:** Central Australia camp and Outdoor Ed camps with Belly.

**Advice to my Year 7 self:** To work hard and push myself.

**Samantha-Rae Cockerill**

**Interests:** Plants, gym and going out to eat.

**School Highlights:** Feeling like it's a big family.

**Advice to my Year 7 self:** Stop trying to act like everyone else.

**Lucas Collins**

**Interests:** Producing music, playing Minecraft and CS:GO and shooting hoops.

**School Highlights:** Year 11 camp, made some good memories on that camp, it was also overall a super good time.

**Advice to my Year 7 self:** Be more confident in yourself.

**Blake Cook**

**Interests:** Basketball, gym and gaming.

**School Highlights:** Being friends with all the amazing people.

**Advice to my Year 7 self:** Do your best in Year 10 and 11 to best prepare for Year 12 VCE.

**Nicholas Cook**

**Interests:** Sport, music and sleep

**School Highlights:** Meeting plenty of new people who have developed into my best mates.

**Advice to my Year 7 self:** Sleep more.

**Dylan Corcoran**

**Abbey Crossland**

**Interests:** Procrastinating

**School Highlights:** The Debutante ball

**Advice to my Year 7 self:** To focus on yourself and not get too wrapped up in anything that doesn't matter.

**Ewan Cunningham**

**Interests:** Fashion

**School Highlights:** The people, they are all amazing in their own unique ways.

**Advice to my Year 7 self:** Do not throw a glass bottle under any circumstances.

**Courtney Dahan**

**Advice to my Year 7 self:** I have no idea.

**Blake Dankwort**

**Interests:** Driving

**School Highlights:** Productions

**Advice to my Year 7 self:** Boy you really screwed up I had to come back here to help you.

**Joshua Deery**

**Bianca De Martino Rosaroll**

**Interests:** Dancing but since COVID hasn't allowed me to dance this year, my new favourite thing to do (as sad as it sounds) is to stay back after school with Rachael and whoever else wants to stay with us to make up for all the lost time at school because we don't want to leave.

**School Highlights:** Definitely all the Outdoor Ed camps.

**Advice to my Year 7 self:** Stop stressing over the little things.

**Liam Dennis**

**Interests:** Basketball, sleeping and HSPs.

**School Highlights:** Shaving off my eyebrows in the Study Centre.

**Advice to my Year 7 self:** Lay off the cupcakes big fella.

**Zachariah Dimitrelos**

**Interests:** Creative design

**School Highlights:** Getting robbed at Central.

**Advice to my Year 7 self:** Don't be such a smart\*\*\*\*.

**Chloe Dioguardi**

**Interests:** Spending time with friends and family.

**School Highlights:** Year 12

**Advice to my Year 7 self:** Make the most of every little thing.

**Ethan Dobson**

**Interests:** PS4

**School Highlights:** Playing basketball

**Advice to my Year 7 self:** Don't be friends with Nathan Paisley.

**Balin Douglas**

**Interests:** Dr Pepper

**School Highlights:** Interschool soccer

**Advice to my Year 7 self:** Stop being so loud.

**Asher Dryden**

**Interests:** Neuropsychology with a special interest in family trauma, music, classic poetry, Middle English literature.

**School Highlights:** Leaving

**Advice to my Year 7 self:** Stop talking and start listening. You literally don't know what you're talking about so stop pretending you do.

**April Dunkinson**

**Interests:** outdoor rec activities, going to the beach, spending time with friends and live music

**School Highlights:** Participating in Duke of Edinburgh, West Coast camp and Central Australia camp.

**Advice to my Year 7 self:** Always be the best person you can be and don't take your time at high school for granted - make the most of every opportunity.

**Darcy Falkner**

**Interests:** basketball and music.

**School Highlights:** Can't choose

**Advice to my Year 7 self:** Start homework early and pay more attention in class.

**Kaeli Farrelly**

**Interests:** beach, Woodlee Wednesdays with Bianca, my friends and the environment.

**School Highlights:** Outdoor Ed camps and Duke camps.

**Advice to my Year 7 self:** You don't have to, you get to.

**Eliana Fitzgerald**

**Interests:** travelling

**School Highlights:** Making some amazing friends

**Advice to my Year 7 self:** Don't care about what other people think of you, the right people will like you for who you are.

**Bradley Flack**

**Interests:** basketball, music and Carlton (Go blues!)

**School Highlights:** Probably the camps, a lot of memories were made there.

**Advice to my Year 7 self:** To not overthink things and to not be too hard on yourself, just let things flow as you are doing the best you can.

**Ashley Fooks**

**Interests:** catching up with mates and hitting the gym.

**School Highlights:** Making friends with amazing people and making everlasting memories with them.

**Advice to my Year 7 self:** All the things you worry about now don't matter, enjoy the good and the bad and grow from those experiences and enjoy life.

**Kaitlin Galanos**

**Interests:** playing Among Us with the girls

**School Highlights:** Being a part of such an amazing cohort

**Advice to my Year 7 self:** Stop wishing for high school to be over, you're going to be so sad when it's nearly done.

**Aidan Gasson**

**Interests:** playing sport, hanging out with mates, watching and making films.

**School Highlights:** Tik tok, getting my front tooth knocked out, got to feed a lion in Tasmania, and lunchtime basketball.

**Advice to my Year 7 self:** Focus more in class, make sure you don't miss the camps (I really wish I'd done the Central Australia camp) and think before you do stupid stuff.

**Marnie Gibbon**

**Interests:** working in the animal industry

**School Highlights:** Year 11 camp at Queenscliff

**Advice to my Year 7 self:** Keep going and finish your work.

**Broderick Gordon**

**Interests:** relaxing

**School Highlights:** Central camp

**Advice to my Year 7 self:** Relax and enjoy.

**Kelly Graham**

**Interests:** watching Greys Anatomy

**School Highlights:** leaving

**Advice to my Year 7 self:** Don't rush to grow up, it isn't as fun as it seems.

**Georgia Gray**

**Interests:** basketball, running and food.

**School Highlights:** Creating friendships and making memories to last a lifetime.

**Advice to my Year 7 self:** Stop listening to the negativity of others, you are strong. Be kind to yourself and have a break every once in a while. Everything is going to work out better than you could ever imagine, trust the process.

**Katelyn Greene**

**Interests:** watching Greys Anatomy

**School Highlights:** leaving

**Advice to my Year 7 self:** Don't rush to grow up, it isn't as fun as it seems.

**Rhiann Grey**

**Interests:** gaming and Art, mainly digital.

**School Highlights:** Getting to know such amazing people throughout the years and having them help me shape myself to who I am today.

**Advice to my Year 7 self:** Enjoy every moment, you don't realise how fast these years go, cherish everyone you meet, you will never be able to have such amazing moments like you do in High School.

**Oliver Haag**

**Interests:** footy and most sports.

**School Highlights:** The great mateships that have been formed the time we went viral on tik tok and the intense lunchtime basketball games.

**Advice to my Year 7 self:** Just don't be a fool and actually do some work.

**Adam Hains**

**Interests:** Ralph Lauren, Polo shirts, Men, The Constitution of 1793

**School Highlights:** Meeting the best friends and teachers you could hope for.

**Advice to my Year 7 self:** I wouldn't give my Year 7 self advice because whatever my Year 7 self did, 5 years later, it's worked out, I'm pretty much good.

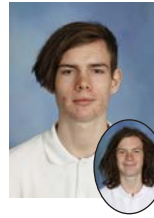

**Matthew Harris**

Interests: Comics and games.

School Highlights: Year 11 camp

Advice to my Year 7 self: Just get out there and meet new people.

**Cade Heatherich**

Interests: Boxing

School Highlights: Kicking back with the boys.

Advice to my Year 7 self: Actually listen to what the teachers say.

**Madison Heffernan**

Interests: Art, reading and movie watching.

School Highlights: Central camp

Advice to my Year 7 self: Stay happy while you still can, kid. And don't be weird. And study please.

**Casey Henning**

Interests: Tara and cuddles

School Highlights: When Tara Varley moved here in Year 9.

Advice to my Year 7 self: Don't worry, you will be pretty hot one day (also make sure you bring some pads the first day of Year 8... You're gonna need them).

**Evelyn How**

Interests: Reading and writing.

School Highlights: It's hard to pick just one moment. But Central Camp will always have a special place in my heart, especially Camp Fire Night.

Advice to my Year 7 self: Don't give up, you'll get there.

**Rachael Howard**

Interests: Criminal Minds, online shopping, seeing friends at school everyday, food.

School Highlights: Outdoor Ed camps and all school camps. Being able to stay back at school with my friends and actually being at school this year.

Advice to my Year 7 self: Don't stress about school until Year 12 because that's when it actually counts.

**Van Sui Hnem Hringthar**

Interests: Singing and doing medical practical.

School Highlights: Overcoming shyness and starting to move forward to the next level of confidence. Being able to communicate with teachers and friends again and knowing it's all about me and for me.

Advice to my Year 7 self: Just because you took longer than others doesn't mean you fail. Get up everyday because everyday is a second chance to do better than yesterday.

**Jia-Kai Huang**

Interests: Footy and tennis.

School Highlights: Central Australia camp

Advice to my Year 7 self: Do what you want to do.

**Mikayla Hughes**

Interests: Driving, tennis, boxing and weight lifting

School Highlights: Watching one of my friends trip over a chair and a table in one go.

Advice to my Year 7 self: Be more sure of yourself and straighten your posture.

**Jasmine Jackson**

Interests: Hiking, skiing and camping

School Highlights: Central camp and sleeping under the stars.

Advice to my Year 7 self: You don't always have to prioritise study, sometimes prioritise fun.

**Russell Jarred- Najimi**

Interests: Sports

School Highlights: Finding good mates.

Advice to my Year 7 self: Don't stress about the work.

**Travis Johnson**

Interests: Getting money

School Highlights: Leaving school

Advice to my Year 7 self: Enjoy being young and hanging with your mates.

**James Jones**

Interests: Sports

School Highlights: Finding good mates.

Advice to my Year 7 self: Don't stress about the work.

**Kristian Katoa**

Interests: Basketball, music and volleyball.

School Highlights: Making the friends I have along the way.

Advice to my Year 7 self: The lottery numbers and to always do my work.

**James Kempton**

Interests: Choccy milk

School Highlights: Boys Deb dance

Advice to my Year 7 self: Be more confident.

**Jason Kennedy**

Interests: Mathematics, Science, gardening, Solitaire, telling people about Maths and Science, and cooking.

School Highlights: Learning new concepts, being indoctrinated with capitalistic governmental propaganda and making trustworthy amazing friends.

Advice to my Year 7 self: You're going to change. A LOT. People aren't going to like you. They'll call you names, insult you, and hurt you because you're different. You can't do anything about that, but you can persevere in the face of resistance. Don't let anyone stop you from being curious and learning more about the things you love.

**Dylan Knapp**

Interests: Rugby and Hamilton

School Highlights: Getting to know all the students and teachers

Advice to my Year 7 self: Eat healthier

**Jasmine Leggo**

Interests: Watching horror movies with my best friend Sammy

School Highlights: I've really enjoyed all my sporting opportunities at Mooroolbark and I LOVED Central camp

Advice to my Year 7 self: Don't study now, study in Year 12 when you actually need to

**Simon Leslie**

Interests: Football (soccer) and making music

School Highlights: Making a bunch of amazing and great friends

Advice to my Year 7 self: Never give up and push yourself so that you can achieve all that I haven't managed to

**Shae Libbis**

Interests: Drawing, reading, listening to music and hanging out with friends

School Highlights: Starting Sustainable Warriors and running a cleanup day at the school, as well as implementing recycle bins into the school

Advice to my Year 7 self: Don't value yourself based on your grades

**Alexandra Linnie**

Interests: Netball and sleeping I guess...

School Highlights: Meeting my friends and making memories together

Advice to my Year 7 self: You need to believe in yourself and I encourage you to understand that you are capable of doing anything if you put your mind to it

**Benjamin Livingston**

Interests: Age of Empires 2

School Highlights: How long is a piece of string oral presentation

Advice to my Year 7 self: Stop caring about what other people think and go talk to them, it's way more fun

**Matthew Lucas**

Interests: Camping, 4wd and mates

School Highlights: Just seeing everyone everyday because I won't get that time and chance again

Advice to my Year 7 self: Close the Australian borders in December 2019

**De Cen Htwe Luri**

Interests: Singing/listening to music 24/7, working out or going out for a run and binge watching K-dramas

School Highlights: Year 7 camp, meeting new people & making friends, spending time with friends

Advice to my Year 7 self: Take it easy, you will get through high school just fine

**Hollie Machray**

Interests: Gardening, reading and cycling

School Highlights: All the camps we went on and all the incredible people I've been surrounded by

Advice to my Year 7 self: To try and engage more with everyone

**Emily Mancell**

Interests: Listening to music

School Highlights: Becoming friends with Tori, going on Year 8 and 10 camp and getting to know the teachers and everyone in the year level

Advice to my Year 7 self: To make as many friends as you can and to be your true authentic self from the start and to never give up if a situation gets hard

**Brendan Magee**

Interests: Gym and fitness

School Highlights: The boys

Advice to my Year 7 self: Make the most of your time at school

**Meghan Mast**

Interests: Binge watching Criminal Minds and hanging out with my friends

School Highlights: Overall just becoming really close friends with so many beautiful people and being taught by the most amazing and supportive teachers

Advice to my Year 7 self: 2020 won't be as good as it sounds

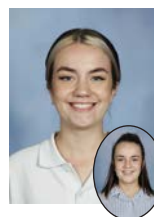

**Taylah Mcquillen**

Interests: Photography, I like working/looking after children, watching and cheering on my football team Richmond

School Highlights: Learning new skills and experiencing different experiences through camps and excursions

Advice to my Year 7 self: Everything will work out take a deep breath and don't dwell on the small things because it will all be okay in the end

**Bianca McCarthy**

**Zachary Medlin**

**Aliyah Miller**

**Hayley Mitchell**

**Interests:** Stressing about exams and annoying people.  
**School Highlights:** Completing Year 12 during a pandemic.  
**Advice to my Year 7 self:** Drop out.

**Zac Moore**

**Interests:** Making music and skating.  
**School Highlights:** Tassie and Central camp.  
**Advice to my Year 7 self:** Don't be so shy and make yourself known, talk to more people.

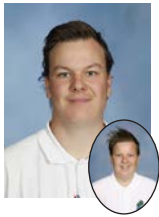

**Nyakeer Nyok**

**Interests:** Art  
**School Highlights:** Making friends  
**Advice to my Year 7 self:** Enjoy the little things positively.

**Hannah Pace**

**Interests:** Netball, Netflix and going for walks.  
**School Highlights:** Making life long friends and making amazing memories with them.  
**Advice to my Year 7 self:** Keep pushing yourself to do your best and at the end of the day you only do high school once so enjoy it.

**Nathan Paisley**

**Interests:** Footy, cricket and Playstation.  
**School Highlights:** All the camps and lunch time downball and basketball.  
**Advice to my Year 7 self:** To make as many friends as you can.

**Bethany Peacock**

**Interests:** Netball and Henry Cavill .  
**School Highlights:** Meeting the best people in the world and becoming best friends with them.  
**Advice to my Year 7 self:** Keep trying and don't give up, try everything because time moves quickly and before you know it you'll be studying for your final exams.

**Acacia Pearce**

**Interests:** Reading, writing, woodwork and design.  
**School Highlights:** Making my friendship group at the end of Year 10 and the beginning of Year 11 and joining production.  
**Advice to my Year 7 self:** Just be yourself and to join the production as soon as possible. Give everything a go, schoolwork isn't everything

**Mckayla Peterson**

**Interests:** AFL, violin, Justyce and Friends  
**School Highlights:** I'm finishing Year 12 on a good note.  
**Advice to my Year 7 self:** No idea because I can't remember what happened then.

**Daniel Phillips**

**Interests:** Sport, exercise, friends and work.  
**School Highlights:** Central Australia camp in Year 10.  
**Advice to my Year 7 self:** Skip 2020.

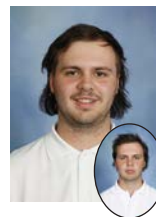

**Jackson Prime**

**Interests:** Rugby and music.  
**School Highlights:** Duke of Edinburgh (camps, excursions) and Interschool sports.  
**Advice to my Year 7 self:** Have fun and work hard.

**Nathan Rancie**

**Interests:** Basketball and footy.  
**School Highlights:** Deb and Central Australia.  
**Advice to my Year 7 self:** No one cares how popular you are.

**Liam Rooks**

**Interests:** Cricket, listening to music and skateboarding.  
**School Highlights:** Doing the Deb last year.  
**Advice to my Year 7 self:** To put some effort in because it gets harder each year.

**Braden Roth**

**Interests:** Sport and that's about it at the moment.  
**School Highlights:** Downball at lunchtime since we have come back to school.  
**Advice to my Year 7 self:** Mess around more in Year 9 and stuff.

**Fraser Sheridan**

**Interests:** Football and cricket.  
**School Highlights:** Making great friends and becoming really close with some of the teachers which had made my time much more enjoyable.  
**Advice to my Year 7 self:** Make sure to be on top of all your school work and to get everything handed in on time.

**Thomas Sheridan**

**Interests:** Catching up with the boys, having a kick of the footy and playing 2K.  
**School Highlights:** Creating so many close friendships.  
**Advice to my Year 7 self:** No more behaviour cards.

**Maija Siljander**

**Interests:** Sleeping, watching tv shows, movies and playing video games .  
**School Highlights:** The school camps.  
**Advice to my Year 7 self:** Use your initiative.

**Brock Simpson**

**Interests:** Motor sports

**School Highlights:** Making new mates and completing my plumbing TAFE course.

**Advice to my Year 7 self:** Work even harder.

**Isabellah Smirnow**

**Interests:** Finding new music and playing games.

**School Highlights:** Making friends for life.

**Advice to my Year 7 self:** Don't be afraid to put yourself out there and make new friends, everyone isn't as scary as you think they are.

**Ethan Smith**

**Interests:** Rock climbing and photography.

**School Highlights:** The Duke of Edinburgh award in Year 9 is. It helped me open up to people and gain confidence, and was also an awesome experience with the camps.

**Advice to my Year 7 self:** Try talking to people and you might actually make some friends.

**Rose Sollis**

**Interests:** Photography, Art, animals, Chess, woodwork, planting, singing, dancing and horror movies.

**School Highlights:** Making life long friends and making amazing memories with them.

**Advice to my Year 7 self:** Everyone is funny and fun to hang out with so when you make a fool of yourself they won't judge and will have a laugh with you.

**Matthew Stewart**

**Interests:** Sports, seeing family and mates.

**School Highlights:** Deb was by far the most amazing experience with Central a close second.

**Advice to my Year 7 self:** To always work hard, continue to be you and do what makes you happy.

**Max Stivey**

**Interests:** Sports and video games.

**School Highlights:** Interschool sports and getting my Year 12 jumper.

**Advice to my Year 7 self:** Keep your head down, do your work and stay out of trouble.

**Eden Tait**

**Interests:** Hanging with my pals and travelling.

**School Highlights:** Deb

**Advice to my Year 7 self:** You will get through it all in the end.

**Mitchell Thompson**

**Josh Tilker**

**Connor Tisch**

**Interests:** Being in a pandemic.

**School Highlights:** Getting Vincent at Market Day.

**Advice to my Year 7 self:** There are a heap of challenges but it's all worth it, in the end it doesn't turn out too bad. Also Thursday 10 September 2020, 2 8 9 10 19 23 29 14, that's the winning lottery numbers for that date.

**Hayden Todd**

**Interests:** Anime, gaming, cooking and 3D modelling.

**School Highlights:** Making a lot of friends.

**Advice to my Year 7 self:** Invest in Bitcoin.

**Jack Tranter-Stewart**

**Interests:** Football

**School Highlights:** Making great friends.

**Advice to my Year 7 self:** Do your homework.

**Zachary Turner**

**Interests:** Gaming, socialising, relaxing, and music.

**School Highlights:** Gaining friendships amongst all year levels each year.

**Advice to my Year 7 self:** Dont be lazy.

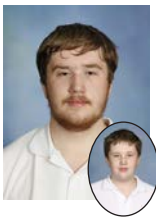

**William Ula**

**Interests:** Music

**School Highlights:** Getting in trouble.

**Advice to my Year 7 self:** Don't give up!

**Matthew Valentine**

**Interests:** I'll be sure to inform you of them once found.

**School Highlights:** Central camp, probably.

**Advice to my Year 7 self:** I can't think of anything to say that would benefit me.

**Alexandra Van Empel**

**Interests:** Tennis, reading, watching Youtube/streamers/podcasts, listening to music, baking/cooking and travelling.

**School Highlights:** The camps and friendships I have made and developed over time.

**Advice to my Year 7 self:** Be confident in yourself and your actions, do what you want to do and don't let your thoughts and feelings be easily manipulated.

**Tara Varley**

**Interests:** I've had a mental blank... next question?

**School Highlights:** Getting to see Casey Henning's beautiful face.

**Advice to my Year 7 self:** There's no point getting embarrassed when Mum calls you Rara, in front of your friends. It ends up catching on and everyone starts calling you Rara.

**Stefany Villacis**

**Interests:** Playing The Last Of Us and Apex Legends on PS4.

**School Highlights:** Making amazing friends.

**Advice to my Year 7 self:** To just make as many memories with everyone as you can and to have fun.

**Teri Vanderspek**

**Interests:** Criminal Minds, cooking and annoying my friends.

**School Highlights:** Making good friends and the camps.

**Advice to my Year 7 self:** You'll be right!

**Taylor Watsford**

**Interests:** Playing footy and basketball.

**School Highlights:** Seeing all the boys at school.

**Advice to my Year 7 self:** Just enjoy yourself.

**Kobe Welch-Phillips**

**Interests:** Socializing with friends and family, foods, beaches and long road trips.

**School Highlights:** That no matter the result I end up with in Year 12, I tried my best at least.

**Advice to my Year 7 self:** Take high school seriously but also to always check up on people, trust your gut, focus on you and you only. Don't let others knock you off course in life.

**Samuel Wells**

**Interests:** Sport and watching movies.

**School Highlights:** Central Camp

**Advice to my Year 7 self:** It'll be over soon.

**Dylan West**

**Interests:** Horses and learning new things.

**School Highlights:** Just passing after saying I wouldn't make it heaps of times.

**Advice to my Year 7 self:** Work hard and don't be so stupid at school.

**Joel Whittaker**

**Interests:** Get cash money bank.

**School Highlights:** Year 7 camp, meeting new people and making friends, and spending time with friends.

**Advice to my Year 7 self:** Go to VCE and do better at school.

**Hannah Wildner**

**Interests:** Basketball, psychology, true crime, and on the rare occasion, daytime television.

**School Highlights:** Creating lasting (so far) friendships with people who have helped me get through school.

**Advice to my Year 7 self:** Pay attention in all your classes, not just the ones you like because it turns out stuff you learn in Year 7 can help later on (who knew?). Enjoy yourself, it's not the end of the world if you don't do well on that one test or don't understand that one subject. Also dye your eyebrows, nobody can see them.

**Ross Wildner**

**Interests:** Stuff and things.

**School Highlights:** Year 10 was alright, so was Year 8.

**Advice to my Year 7 self:** Make the most of things.

**Alexis Wilkinson**

**Interests:** Performing and playing music.

**School Highlights:** Performing in the Grease production in 2019.

**Advice to my Year 7 self:** Don't take everything to heart, and stop thinking that you're better than everyone else.

**Cody Wilton**

**Interests:** Carpentry, ancient history and the ADF.

**School Highlights:** Meeting all the people I am friends with.

**Advice to my Year 7 self:** Knuckle up and do the work.
