COLLEGE

MOOROOLBARK COLLEGE

ENDEAVOUR RESPECT RESILIENCE COMPASSION

ACKNOWLEDGEMENT OF COUNTRY

We respectfully acknowledge the past, present and emerging Elders and Traditional Owners of this land, the Wurundjeri people. We are honoured to share this land we all live on together and recognise our connection to all Aboriginal communities who have resided in this area and pay respect to the ongoing connection to land, sea, culture and heritage.

Front cover art by Matilda Kinman, Year 11
Lil Guy On A Cactus, 2023.
Digital (Procreate)

My inspiration for this piece was Charley Harper and his minimalist/modernist art style. (He was famous for breaking things down to their essence in his drawings of animals and environments.) I thought a great way to display elements of his art style was through a cactus due to its textures, and a desert landscape gave me fun colours and animals to work with, hence the lil guy (lizard).

A place to inspire discovery, to value and to seize opportunity

Wilam duwi yaggon-iet, gahgook ba gunga nanbo

What a remarkable year it has been for Mooroolbark College as we proudly celebrated our 50th Anniversary. On Saturday, 14th October, we had the pleasure of hosting visitors from near and far who joined us in commemorating half a century of exceptional education.

PRINCIPAL TEAM

The day was filled with joy and nostalgia as past students, staff, and parents wandered through Memory Lane, traversing the corridors of time, and reminiscing about their own experiences at our college. It was a chance to reconnect, share stories, and celebrate the collective journey that has shaped the Mooroolbark College community. Our guests had the opportunity to explore the college grounds and recent renovations, witnessing firsthand the progress and development that has taken place over the years. The dedication to creating a modern and inspiring learning environment was evident in every corner of our campus.

The celebration was further enhanced by the musical performances from both past and present students. It reminded us of the immense talent and passion that Mooroolbark College nurtures within its students.

An important part of the 50 Year Celebration was the renaming of the College's Educational Community Activity Centre (ECA) to the Lyn Godfrey ECA in recognition of Lyn's contribution to the College.

Another highlight was the Night of Excellence presentations where the exceptional work of our students was showcased. From artistic creations to academic achievements, the talent and dedication of our students shone brightly, leaving a lasting impression on all who attended.

To commence the afternoon's festivities, we were honoured to have Aunty Joy Murphy Wandin begin the afternoon with a Welcome to Country. Her words resonated deeply, setting the scene for an afternoon of celebration, unity, and respect for the land on which we stand.

As we reflect on this milestone year, we extend our gratitude to everyone who contributed to the success of our 50th Anniversary celebration. Your presence, support, and enthusiasm brought an unforgettable energy to the event, making it a truly memorable occasion.

2023 saw the long-awaited return of the Student Representative Council (SRC) Carnival. Held on Friday, October 13th, it was a fantastic opportunity for our students to enjoy a variety of activities brought to them by the SRC.

From rides, a variety of food options, to a petting zoo and more, there was something for everyone. Our SRC has been expanding and evolving, providing valuable support to students across various areas of the school.

The SRC is just one aspect of the student leadership opportunities which exist at Mooroolbark College. I would like to also acknowledge the work undertaken by our College Student Leaders in 2023.

College Captains

Carla Hunaidi and Ciara Delaney

Baan House Captains

Senior Captains - Will Carpenter and Anisa Aganovic
Middle School Captains - Abbey Heemskerck and Aliyah Orwin

Darrang House Captains

Senior Captains - Aidan Fox Wright and Abigayle Huang
Middle School Captains - Matilda Sleeman and Sienna Haywood

The Arts Captains

Laura Harrison and Tegan McDonald

Social Justice Captains

Bailey Paget and Makayla Knight

Biik House Captains

Senior Captains - Ellie Lynch and Kyla King
Middle School Captains - Rory Simmons and Teresa Hramkam

Ngawan House Captains

Senior Captains - Amy Oliver and Iliro Smit
Middle School Captains - Jacob Garratt and Henry Pearce

Sports Captains

Keira Leonard and Blake Hazeldene

Library Captain

Victoria Niang Suan Hoih

Our captains have represented our College extraordinarily well over the past twelve months and on behalf of the College community, I wish to thank them for their contribution.

2023 has been a year of tremendous growth and exciting opportunities when it comes to extracurricular activities. We are thrilled to share some highlights with you!

Camps are back: In 2023, camps made a triumphant return to the College. We introduced two new camps that were an absolute hit amongst our students. The Year 9 students embarked on an unforgettable adventure at the Great Barrier Reef camp, while Year 11 students explored the vibrant city of Sydney during their camp. Both experiences were enjoyed by all who attended, fostering new friendships and creating lasting memories.

In 2023 the College has also made it a priority to provide a wide range of club options for our students. In 2023, students had the opportunity to engage in a diverse array of clubs, including the Yarn Club, Arts Club, Music Club, Dungeons and Dragons Club, Tournament of Minds, Stock Market Game, Weights Room Club, Table Tennis, Sustainability Club, Rainbow Club, and Pseudonym Writers Club. At Mooroolbark College, we take pride in offering an extensive selection of activities that cater to the interests and passions of all our students.

We are committed to ensuring that our students have many opportunities to explore their interests, develop new skills, and forge meaningful connections. Further events and activities are planned for the upcoming year.

Farewelling staff from Mooroolbark College

Maria Pisano began working at Mooroolbark College in 1991 as a Humanities Business Management Teacher. Over the next 30 years Maria contributed to the development of the College's humanities programs and developed a keen interest in pathways. Maria has supported the development of student pathways to ensure students from Baan House had clear goals and aspirations.

Jenny Roache has been with the College for 28 years teaching in the areas of Physical Education, Health and Vocational Education and Training. Jenny has contributed to the College in many ways including sitting on College Council for many years and introducing

VCAL into the College in the 1990s. Jenny has worked most recently in pathways and the senior school, and her knowledge and commitment to the College will be missed.

Gillian Loft joined the College in 2000 and has contributed to the College in the areas of Physical Education Health and Humanities. Gillian held many roles during her employment at the College and provided numerous opportunities for our students to engage in camps and a variety of sports and recreation activities.

John Nichol retired from the Department of Education and Training during 2023. John has taught in the Outer East of Melbourne for over 30 years. With a passion for student wellbeing, John was also a passionate supporter of refugees in schools, and particularly the College's Burmese community.

The College wishes to congratulate Michelle Collette on her appointment as Assistant Principal at Cranbourne Secondary College. Michelle most certainly will be able to take with her the significant skills and qualities that she developed in her roles at the College as Darrang Leader and Senior School Leader.

Alex Scott and Andrew Nyhuis will be leaving Mooroolbark College at the end of 2023. Both Andrew and Alex have contributed to the English and Humanities Key Learning Areas. Alex was a Cluster Leader in Darrang for a number of years but more recently has taken on the role of Humanities Key Learning Area Leader. Andrew has worked in Ngawan House and in 2023 has led the College's Aspire program.

Darren Jackson has worked in the areas of Mathematics, Science and Technology in both 2022 and 2023 and will be leaving us at the end of 2023 but continuing his work in education.

Brodie Challis, working in Mathematics, Blake Pearson, working in Physical Education and Humanities, and Kailey Scott, working in Textiles and The Arts, leave Mooroolbark College at the end of 2023 and we wish them all the best in the next stage of their education careers.

Diana Woodhouse has supported the College Arts in 2022 and 2023 and has contributed to instrumental music, the College Production, and the Junior Pantomime. Thank you, Diana, for your support of The Arts.

In the area of Curriculum Support, Dianna Lo Bianca and Harry Morgan are both pursuing careers as teachers in 2024.

Jamie Lynch has been a part of the Wellbeing Team at Mooroolbark College in 2023. Jamie is continuing her work supporting student wellbeing in West Gippsland where she will continue to share her expertise in a school environment.

Finally, we wish Samantha Jacobs all the best. Samantha held the position of Koori Mentor for 3 years. Samantha was a Mooroolbark College student who moved into this position at the completion of her Year 12 studies. Her contribution to supporting the College's indigenous students will be missed.

As the year concludes, we wish you a safe and happy break and we are looking forward to an exciting 2024.

CELEBRATING
50 YEARS
1973 - 2023

MOOROOLBARK
COLLEGE

COLLEGE CAPTAINS

2023 has certainly been memorable for our beloved school community! With the remarkable 50th anniversary of Mooroolbark College, we had an opportunity to look back at the astounding accomplishments of our school, and reflect on just how far we've come.

Our students active involvement within the school and surrounding community allowed a showcase of their phenomenal talents in the field of sports, technology, and the arts. Our annual Open Night was a hit this year, and provided teachers, students, parents, and the wider community, an opportunity to explore our new and improved school Wellbeing Centre, and the further upgraded facilities.

This year we've really enjoyed seeing a sense of joy and excitement throughout the College. Whether that be through Carnival Day, Mullets for Mental Health, or the amazing jokes we told at assembly! It is a privilege to attend a school where we regularly come together and have some fun.

We are immensely grateful to have been able to represent Mooroolbark College in our final year. Although we are sad to leave, we can't wait to see what the future holds for the school and those who continually strive to make it a better place.

Giara Delaney and Carla Hunaidi - College Captains

SRC

STUDENT REPRESENTATIVE COUNCIL

Victoria Niang Suan, Daniel Bohun (Secretary), Minh Nguyen (Vice President), Aliyah Orwin (President), Tiffany Chew (Publicity Manager), Micah Cove (Treasurer) and Ms Rachel Farrell.

At the start of the year, the SRC made a goal to host an event each month, which due to meticulous planning was able to be pulled off by our enthusiastic executive team. We have held many events throughout the year with our most successful being the Swimming Carnival stall, Easter Raffle, and Carnival Day. As well as those events we saw the introduction of the SRC award, made to acknowledge those who had been consistently volunteering and participating in SRC events.

The Swimming Carnival stall was the first event that the 2023 SRC team ran together. We pulled out all the stops, selling snacks and drinks as well as running some fun games and activities.

The Easter Raffle was an event run by the SRC earlier this year from the 29th of March to the 6th of April, this event consisted of 5 days of selling tickets and 3 days of announcing prize winners. Over the week we managed to sell over 250 tickets to students and staff, with 12 lucky winners taking home prizes of Easter Egg bags, Easter Hampers and vouchers.

On the 13th of October the SRC brought back the annual SRC Carnival Day, which hadn't run since 2019 due to COVID. Many fun activities were run on the day like blow up sumo suits, food trucks, stalls, and more. Hundreds of tickets were sold and students had a great time hanging out with friends and participating in activities and games.

We would like to thank Ms Farrell; the SRC Support staff, Ms Godfrey-Baker; Leadership Support, our executive team, and the general SRC for the amazing work we've been able to accomplish together!

Aliyah Orwin and Minh Nguyen - SRC President and Vice President

English

It has been an exciting year in English! We have welcomed new team members Bradley Blair, Mikayla Cassidy and Melanie Orams who have become invaluable to the English KLA and we were sad to farewell Prue Bon and Trisha Silver throughout the year and Andrew Nyhius at the end of the year. We wish them all the best for the future.

Both Year 7 and Year 8 students have focused on experimenting with different text types and formats such as zines, short fiction, prose novels, film, feature articles, picture books, poetry, biographies and memoirs.

This year has also seen the introduction of the Literacy LORE program at Year 7 and 8.

The new Core English Elective program at Year 9 had students choose the lens through which they want to study English. The subjects available were Crime, Horror, Dystopian Futures, Sporting Greats, Social Justice, Teen Worlds, Literature and English Language. Here is what some students have said about the new program:

"It makes you feel excited coming to school knowing you are going to learn about things you actually find interesting." -Tanisha Sivaskanthan

"It made English a lot more fun." - Ava Simons

"We got to choose what would engage and interest us the most and it definitely made me love English more." - Sienna Haywood

Year 11 English students have had an exciting year as the first cohort to complete the new English study design. It was exciting to explore the framework of Power and discover the writing abilities of students in more creative ways than was previously allowed through the old study design. We can't wait to see what you will be able to achieve next year in Year 12.

Congratulations to our graduating Year 12 Literature students! This year has been a challenging but rewarding year for our students. Given the breadth of deep intellectual conversation I've heard across the year during these Literature classes, I am optimistic and hopeful for our society's future. Good luck out there!

It has been a tremendous year for students studying English Language, with many significant world events happening across the year that feeds the subject and the way in which language is used by people around the world for different intentions and purposes. Like years before, the unique terms of this era's 'Teenspeak' encouraged some heated and lively debates. The Year 11's discovered all kinds of fascinating history that contributed to the rise and spread of English and the Year 12 group ensured themselves the most opportunities to get by studying hard and pushing each other along in the final stages before the exam.

What a pleasure to see so many discover the great subject English Language is and succeed in their studies. Hopefully it continues to go from strength to strength. Congrats, Eng Lang crew!

Amy Broekmann - Head of English

EAL

As we wrap up 2023 at Mooroolbark College, let's take a stroll down memory lane and recount the experiences that have enriched our EAL community. In February, we celebrated the 75th Chin National Day, a day of immense cultural importance for our students of Burmese heritage. Our canteen and

administration team threw a fantastic celebration, organising hot Chin food from local restaurants and distributing free cupcakes with the Chin National Flag. Our teachers also complemented the celebrations with engaging activities like story sharing and quizzes in homegroups, promoting cross-cultural awareness. This year, our collaboration with the Migrant Information Centre (MIC) reached new heights with the addition of two long-term programs. Monday afternoons got a whole lot more exciting with the Volleyball Club, where teamwork and fun go hand in hand. And let's not forget our incredible on-site youth workers from MIC, Ezgi and Shani, who are always there to support the students when they need it.

In October, we welcomed Mary Aung, our new Multicultural Education Aide. She's amazing - speaking multiple languages, acing academics, and endeavouring to making a positive impact on young people. Mary devotes time to help with school events, communicate with families, and assist students out in class.

With the great teamwork in Term 3, we also assisted the Parent-Teacher interviews. Over 40 EAL families received support from us with their bookings and interpreters, breaking down language barriers and making sure everyone felt heard.

Our partnership with MIC continued, with youth workers strengthening bonds with students, and the Volleyball Club turning into a Young Women's Group in Term 4. Girls in Year 7 & 8 joined in for some fun activities focusing on movement, mindfulness, and good vibes.

At Mooroolbark College, we're not just a school; we're a family celebrating diversity and achieving great things together!

Yi Jiang - EAL Team

Mathematics

What a fantastic year it has been in Mathematics!

Students have worked hard during class time to build their understanding and fluency, whilst applying what they have learned to real-life applications. Numeracy lessons have given students the opportunity to develop their problem-solving skills and participate in a range of hands-on activities. A highlight of the year was the Easter Numeracy Challenge, where students were required to estimate the number of eggs required to cover a wall, making use of their measurement and estimation knowledge and skills.

Our Year 7 students had a fun and engaging start to the year with a visit from Professor Maths and The Maths Show. The Year 7's were also lucky enough to use the Discovery Centre for their Maths lessons. This provided a great space to display student work, their achievements with Learning Goals and the growth they have achieved throughout each topic studied.

Lastly, I would like to thank our hard-working and dedicated Mathematics teaching team. We have once again challenged ourselves to improve the teaching practices and learning opportunities for students in our College. This year our Mathematics and Numeracy team were nominated for a Victorian Education Excellence Award, reflecting the efforts and passion our staff show to continuously improving our practice.

Kara Salmon - Head of Mathematics

Arts

This year has been a fantastic year in The Arts. Students have been working hard to create some incredible work this year in both Visual Arts and Performing Arts.

In the Visual Arts, we introduced our new VCE Arts subjects, Art: Creative Practice and Art: Making and Exhibiting. Students have loved the new courses and have created some amazing work on various themes, such as identity. The second half of the year saw The Arts host our two showcase evenings; The Night of Excellence and the annual Mooroolbark College Film Festival. The sheer amount of work, the quality and the variety, was phenomenal.

The Night of Excellence saw voting for the highly coveted People's Choice Award open. As a result of this vote, there were three recipients of the People's Choice Award in 2023: Hayley Lamb of Year 11 for Art: Making and Exhibiting, Inica Smit of Year 12 for Art: Making and Exhibiting, Drew Clarkson of Year 12 for Art: Making and Exhibiting, Media and VCD.

In late Term 3, the Mooroolbark College Film Festival played out to a packed audience. In its 11th year, the quality of the films shown were impressively high.

Congratulations to Hayley Lamb, Jackson Reid and Natalya Wheeler whose film, *The Margarita Mugger*, won Best Year 11 Film and the Audience Award for Best Year 11 Film.

A big congratulations also goes out to Drew Clarkson's film, *Call of Love*, which won Best Year 12 Film and the Audience Award for Best Year 12 Film.

It has also been a big year in the performing arts. We have continued to run our new Performing Arts subject at Year 7 and 8 which helped to combine the areas of Drama and Music into the one semester.

2023 has been a fantastic year and we can't wait to continue to showcase the amazing work and performances being created in The Arts in 2024!

Matthew Neil-Holland - Head of Arts

Health and Physical Education

It has been another busy year in Health and Physical Education (HPE) with some incredible student camaraderie and teamwork.

Year 7's completed their first semester of Health with the Year 10 students during the Peer Support Program. This initiative is very special to our College as it not only builds the comfortability of our new students in a new environment, but it strengthens the capacity of our schools' leaders. Students worked through a range of activities and lessons on how to make friends, bullying, where the schools support systems are and how to navigate a new environment.

The Year 9 students began a new program this year called SHIELD. The program aims to engage our students into the wider community by providing them opportunities to work with new people and push them out of their comfort zones. In Term 1 and 4 students nominated sports they would like to be involved in and then are placed into teams, where they would compete in round robins for House points. It has been incredible watching students try new sports and encourage each other to achieve personal bests.

Year 9's were lucky enough to experience another wonderful live performance from 'Smashed' Alcohol, a play designed to educate students about the dangers of underage drinking. The performance was incredible, with the actors getting into the crowd and questioning students' thoughts and understanding.

Another highlight of the year has been with the Year 10 PE students. They have enjoyed a fun filled semester, learning about the cardiorespiratory systems and how sport plays a role in our performance and recovery. They enjoyed excursions to local gyms and recreational centres such as the local bowling alley and Goodlife Gym!

Finally, we cannot forget our Year 9 Duke of Edinburgh students. They have rallied this year and developed their confidence and self-belief in many ways, tackling awkward conversations with new staff and navigating through their own 3 day-hike at Wilsons Promontory.

Bring on 2024!

Stephanie Todd - Head of Health and Physical Education

Humanities

It's been an amazing year in the Humanities KLA. I am always impressed with the quality of work being done by the staff and students in this faculty and 2023 has been another great example to look to.

We had an innovative new subject called Herstory. This new unit that Ms Williams proposed and spearheaded has been an inspiring and important chance for students in Year 9 to look at the impact and influence of women throughout history.

This year saw a broad range of activities and ingenuity coming from the Humanities team. I've been really interested and impressed to see the ways in which the studies of Humanities have been undertaken. 2023 saw some terrific historical model making using Lego bricks, a terrific flurry of safe swordsmanship using pool noodles on the oval and a collection of intrepid explorers throughout the school in the study of Geography.

We had several guest speakers to the school, from local business owners coming to share their experience and insight with our Commerce students, to past students coming in to share their connection from Geography studies at Mooroolbark College to their tertiary studies and own career aspirations.

Finally, it is important to recognise the hard work and dedication of the senior school team this year across the subjects of Accounting, Business Management, History, Legal Studies and Work-Related Skills. We wish all our students the best of luck with both their exam results and with the bright and exciting pathways ahead.

As we look back on the achievements of the Humanities Faculty at Mooroolbark College in 2023, we are inspired by the passion, curiosity, and resilience demonstrated by both our educators and students.

Alex Scott and the Humanities KLA Team

Languages

Hallo and 你好!

The end of 2023 is nearly upon us and while the Languages KLA is already busily preparing for 2024, it also means it's Beekon time and the opportunity to reflect on the many highlights of the past twelve months!

We are so proud of our students who worked hard for Chinese and German! So much high-quality work has been submitted during 2023.

Very early in the year our students once again excelled in the EP online World Championships. Due to public holidays falling in the middle of the competition, we lost valuable competition time, meaning we ended up with fewer certificates overall. However, the twelve students who received certificates need to be mentioned and applauded:

In the Elite category we had Alex Paget (Year 9, G8), Ash Missen (Year 10, Y1) and Bailey Paget (Year 10, G7). These students scored over 10,000 points each. This is a phenomenal achievement evidencing many hours of learning and completing vocabulary tasks. This is the first year we have had three of these and this award places the students in the top 1-2% of competitors world-wide. Furthermore, these students are not currently able to take Language classes and so did this all in their own time. Wow!

In the Gold category, scoring over 3,000 points we had Dean Muys-Gold (Year 8, Y8) while on Silver Amina Shah (Year 8, B4) and Mali Monis (Year 7, B7) scored over 2,000 points each.

Finally, in the Bronze category with over 1,000 points we had Charlotte van Praag (Year 7, Y3), Marllon Musliman (Year 7, Y9) and Sarah Nimbs (Year 7, G9) as well as Messi Lal Ram Lian (Year 8, Y4), Shayla Jordan (Year 7, B2), and Vincent Kim (Year 8, B5) who received Credit awards worth 500 points. Congratulations again to one and all.

We also ran another highly successful excursion to the city for our end of term excursion celebrating German and Chinese culture. Students loved the day out as much as the food and we are so proud of our students who behaved like the ambassadors for their school they were.

If 2023 is anything to go by then 2024 should be another great year.

Jonas Bahlo, Yi Jiang, Jaqui Tan and Jordan Van Keulen - Languages KLA

Science

It's been a great year in Science!

Our Year 7 students enthusiastically learnt about laboratory safety and gained their Bunsen Burner licenses. They also studied mixtures, methods of separation, as well as exploring the different forces acting on all objects and ecosystems and human impacts.

The Year 8 Science students learnt about the states of matter, the highlight of this topic was diffusion with Skittles and making Oobleck. Other topics covered in Year 8 were physical and chemical change, body systems and cells.

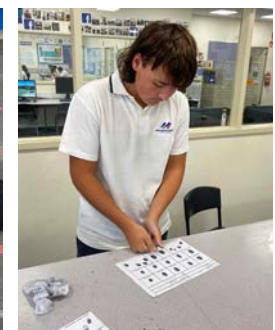

This was the first year, of all Year 9 Science subjects, being semester-based electives (paired with the compulsory Core Science) and with that came the new subject of Sustainability, Forensic Science moved down from Year 10 into Year 9, joining the Innovate Science elective.

Our students also had the opportunity to experience science in action. The Year 12 Psychology students were able to use operant conditioning to train a special visitor; Sasha (Ms Coghlan's dog). The Year 11 Biology students did animal studies training at Yarra Ranges Tech School and attended the Animal Research Education and Awareness (AREA) Program at the ANZLAA Conference. They also went to Melbourne Zoo to learn more about animal adaptations and to collect data.

Turtle Club continued to demonstrate its popularity, with many students wanting to volunteer their lunchtime each Wednesday to assist Sheldon and Franklin (our resident turtles). We also acquired Strong Stick Insects (*Anchirole briaeus*) in addition to the Spiny Leaf stick insects (*Extatosoma tiaratum*).

Have a wonderful break and see you all in 2024.

Melinda Lori Pui - Head of Science

Technology

This year has been an extraordinary journey for our Technology department, where innovation and creativity have flourished.

Year 9 students unleashed their creativity to design and develop their very own digital games. Their projects were a testament to their imagination and technical skills, making it clear that we have some future game developers in our midst. Year 9 students in Woodwork impressed us with their speaker amplifiers. We also saw our students embark on storage solutions projects. The storage units they designed and built showcased not only their creative ideas but also their practical design skills. Year 9 Metalwork students demonstrated their metal craftsmanship by creating stunning candelabras.

Year 10 Metalwork students used their skills to craft stylish coat hooks, demonstrating the perfect blend of form and function in their work. The Year 10 Jewellery class not only created fantastic jewellery pieces but also had the unique opportunity to host a jeweller for an unforgettable incursion.

The culinary arts were also on full display with our Year 10 students. Their delectable cakes and desserts were a testament to their culinary expertise, in Barkers Bakery while other students took part in our more savoury Barkers BBQ course where they investigated the history of meat, learned about farming and looked to the future of the industry, in addition to enjoying a taste testing picnic outside. Year 9's learned about multiculturalism in Special Occasion Foods, technical skills in Food Studies and nutrition and dietetics in Food for Life. Our Year 7 Food Studies students culminated their year by creating mouth-watering muffins, proving that even at a young age, they have promising culinary skills.

Year 8 Digital Technology students had an exciting year, as they dived into coding using Python and Minecraft. They also embarked on an eye-opening excursion with Yarra Ranges Tech to explore the high-tech world of hospitals and healthcare technology.

Year 10 Systems Engineering students studied the fundamentals of electricity and circuit building, showcasing their engineering talents in the process.

As we celebrate these incredible achievements, we must bid farewell to two of our esteemed colleagues, Kailey Scott and Darren Jackson. The Technology department wishes them the very best in their future endeavours.

This year has been a testament to the creativity and innovation of our students, and we can't wait to see what they'll accomplish next year.

Perie Edmonds - Head of Technology

ASPIRE

2023 has been an adventurous year within the Aspire program! We welcomed an amazing group of young minds into 2023's 7A, who have explored a range of challenging and stimulating classroom activities to push curriculum engagement and positive learning experiences. Our 8A students continued to further their abilities in the program, collaborating closely to challenge one another.

Both 7A and 8A attended programs at the Yarra Ranges Tech School this year. These days provided students with a wonderful opportunity to investigate realistic environments using technology that is unfamiliar, yet fascinating!

After 2 years, it is time to say goodbye to our 8A students who are graduating from the Aspire Program. I hope that your time in the program has been fun, engaging and rewarding! I also hope that the challenge partnerships you have made continue to develop your learning journeys here at the college.

I look forward to seeing what amazing adventures we can have in the world of Aspire in 2024!

Andrew Nyhuis - Aspire Program Coordinator

LIBRARY

With the Library renovations completed early Term 3, the new space has been an incredible and vibrant addition to the school. New shelving and the adjoining Wellbeing and House office spaces have created an environment that many students have benefited from. Staff have also utilised the area for classes with the use of the Clevertouch TV and allocated class seating. During lunchtimes, the library remains a very popular and wonderful space for students to socialise, borrow and play board games.

Library staff have been so excited with the new layout, utilising every corner with new displays and decorations. Halloween was popular Term 4, with decorations sprawling throughout the library. The Book Week Cake Decorating Competition was another highlight, with many participants submitting jaw dropping entries.

We are always adding to our collection with non-fiction slowly becoming a favourite section of the library.

Rebecca Kendall, Rebecca Unland and Amy Godfrey-Baker - Library Techs and Coordinator

D&D Club

This year, the Dungeons and Dragons Club swelled in numbers, resulting in (at times) three campaigns running simultaneously. Students from Years 7 to 11 attended, with Year 7's leading games for senior students at the college. In 2023, members of the D&D Club explored new realms, fought drow, and saved a town from wild bandits. I've guided the D&D club for three years now. It has, and continues to be, a welcome and positive space for students to express their creativity, give voice to interesting characters, and engage in mathematics to resolve problems. I wish Michael Jones the best as he ushers the D&D Club into a new era. I know the club will be in good hands! - Andrew Nyhuis.

Music Club

This year we had a blast in Music Club - all students were invited to join us at lunchtime for a free play, joining a likeminded group of students to have lunch with while enjoying some great tunes. This year we ran the club on Wednesday lunchtimes and the rehearsal rooms were always full of students playing instruments such as drums, keyboard, guitar, ukulele and vocals. Mr. Jones was a great addition to the team and gave plenty of advice and energy to club.

We're excited to continue the club into 2024 and will announce the day the club will be running early next year.

See you there! - Jordan van Keulen

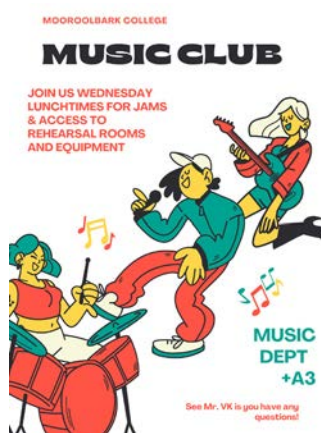

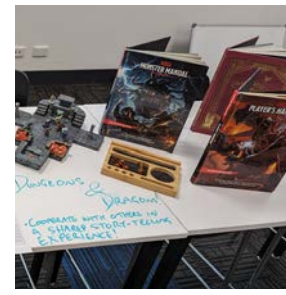

The Pseudonym Group

The inaugural year for The Pseudonym Group (TPG), a collection of talented mysterious authors and artists of Mooroolbark, was a raging success! What began as a large contingent of 35 students keen to be admitted through the application process, became a prestigiously refined 22 of both students and teachers. These TPG members were gifted slots within the monthly newsletter and on our social media pages to display their writing and artistry behind the mystery of a chosen pen name or pseudonym. Lunisolar Jester, Pippi L, Gothos, Nita Handwriting and A Voice Among the Crowd were just a few that heavily featured throughout the year with more members crafting their work ready for 2024. We have some exciting new initiatives like a TPG website available soon, a library display of the group's latest work for the school community to see and another round of applications to get more members involved! See you in 2024! *To spark and inspire, TPG*

Sustainability Club

Living sustainably is not just about the environment, although that's a big part of it. Sustainable living is about making the most of everything you have, choosing wisely, and acting with purpose. This is exactly what our students have been practising in Sustainability Club throughout 2023. We have enjoyed making a range of recycled arts and crafts, adding plants and living things to our shared spaces (such as the canteen and library), and practising yoga and mindfulness activities. Highlights this year included entering the Sustainable Scarecrow Competition, adding an indoor garden to the canteen, and helping Mooroolbark College celebrate special days with recycled decorations.

We have plans for even bigger and better projects next year and welcome any students who would like to join our club. - Sarah Pearsall

STEAM

In Term 3 Mooroolbark College's pioneering team, the Rookies, made history as they participated in the prestigious interschool competition known as Tournament of Minds (TOMs). This marked the first-ever appearance for the school in TOMs, a competition designed to cultivate creative thinking, collaboration, and teamwork among students across various year levels.

The Rookies embarked on a challenging journey - designing a bird that could fly without electronic components. The long-term project took six weeks and resulted in resounding success as the team clinched the coveted Spirit of TOMs award, an honor bestowed upon schools exemplifying tolerance, cooperation, fair play, and resilience in overcoming challenges.

The members of the TOMs Club were Ryder Davies (Year 10), Amy Leigh-Smit (Year 9), Henry Pearce (Year 9), Shaan Monis (Year 9), Dean Muys (Year 8), Giselle Leonard (Year 8) and Mali Monis (Year 7).

In the words of Henry, "TOMs was a great experience that pushed us to think outside the box. It challenged our creativity, fostered teamwork, and allowed us to engage in a fun learning opportunity."

Amy said, "Participating in the Tournament of Minds STEM challenge was an incredibly enjoyable experience for me. It not only provided mental stimulation but also pushed me to think beyond conventional boundaries. I have a passion for challenging myself and exploring new avenues, and TOMs proved to be the perfect platform for such pursuits."

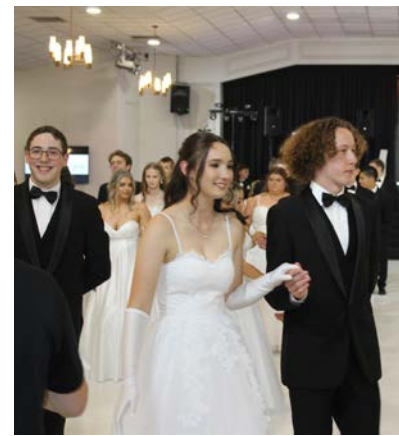

Shaan expressed his journey in these words, "Collaborating with diverse individuals with distinct perspectives was a highlight of the experience. Working together, we seamlessly blended our imaginative ideas into a cohesive whole. The collaborative effort not only showcased our creativity but also emphasized the importance of varied viewpoints. It became evident that there is more than one way to approach challenges, and embracing different perspectives enriches the problem-solving process."

Tooba Awais - STEAM Learning Specialist

YEAR 9 CITY EXPERIENCE

In our 50th anniversary year, Mooroolbark College celebrated the 60th Debutante Ball at Cathies Lane Receptions. forty-eight enthusiastic Year 11 students embarked on an intense four weeks of rehearsals during some hot summer afternoons in the ECA. The brief to our dance instructors was to “funk it up”, by introducing modern music to our classic formal dances. Students perfected five dances - the Balmoral Blues, Gypsy Tap, Rumba, Progressive Jive and Salsa. Gary Jefferies and Cathy Saisi from Dancesport Kingdom ensured that all our students were well prepared and confident, and we thank them for their time and energy in the lead up to the Ball.

Students were presented by Master of Ceremonies, Mr James Taylor, to staff representative special guests, Ms Jade Hubben and Mr Andrew Nyhuis. Students conducted themselves with poise and grace as friends and family watched on.

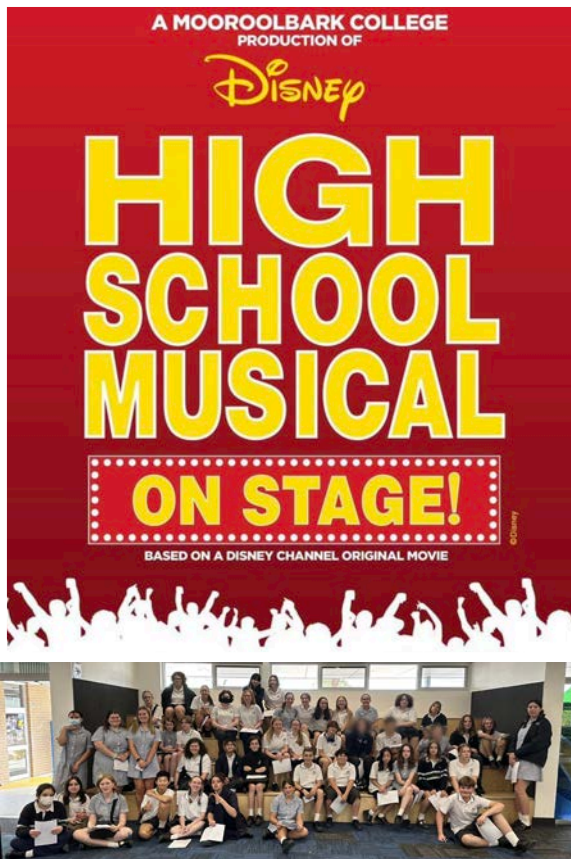

Students Belle Gavin and Zoe Jackson summed our evening up perfectly with a speech on behalf of the participating cohort.

Participants and guests took full advantage of the One360 video booth, and enjoyed letting their hair down after the formalities with Melbourne DJ Co who brought the party to the dancefloor. We would like to thank our other vendors who assisted with special touches to our night - Ferrari Formal Wear, Blooms on Brice, National Photography, Sure Shot Productions, Just Ribbons, Balloonaholics and Kandi Ko.

We would like to thank College Council President Mrs Julie Medlin, Acting Principal Ms Rachael Williams and all our staff volunteers for their attendance and support on the night.

Jodi Mathieson and James Taylor - Debutante Ball Coordinators

Getting High School Musical from script to stage was a fantastic journey. The incredible direction of Peter Marz, the amazing choreography and direction from Brad Blair, the flawless singing direction from Clare Thomas, and the support from the rest of the staff involved, provided the foundation for the students to take over, and shine.

From the first auditions, it was clear that we were working with some very talented students, and that there were sparks in some students that were ready to ignite. I do not have words for how awestruck I was watching the students evolve as singers, actors, dancers, and leaders.

The final shows at Karralyka have been touted as some of the best shows put on by the College, showing the dedication from the students and the creative team. It was a privilege working with such talented students and staff to bring such a well-known story to life on stage. The effort, drive, and dedication from the cast and crew of High School Musical is to be commended.

Michael Jones on behalf of the Production Team

High School Musical was one of the best productions that has been made by Mooroolbark College. From the exceptional set design and costumes, to the flawless choreography and musical arrangements, the teacher's creativity, and energy helped this performance be the best it could possibly be.

I loved the excitement, energy and enthusiasm whilst performing and rehearsing alongside my talented peers. The show gave everyone involved a sense of belonging, purpose, and we all worked tirelessly to deliver an unforgettable performance.

This production has allowed me to step out of my comfort zone and create lifelong friends. The memories I've shared with my friends, whether it was nailing a dance move, laughing behind the scenes, or taking group photos, will be cherished forever.

Being part of High School Musical was an amazing experience!

Ashlee Jordan, Year 9 (Sharpay Evans)

We had a wonderful 2023 in Instrumental Music, continuing from the growth of 2022. We welcomed many new students to our wind and brass programs, as well as many newcomers to guitar, piano, percussion and vocals.

There were some fantastic performance opportunities this year. These included the Winter Concert, involvement in the production performances, the Night of Excellence, the Spring Concert, and the many performances that occurred around the College during lunchtimes. As always, the teaching team are constantly impressed with the talent, resilience, and hard work our students show through preparing for their performances and facing nerves to perform in front of a large crowd.

This year we saw the creation of some wonderful ensembles, including the Boomwhackers, a percussive group, the Elite Vocal Group, and the Fizz Whizzers, our new concert band who entertained crowds during the College's 50th anniversary celebrations. It really is wonderful to have a large band again and Mrs. Doolan worked very hard to create charts and conduct the group.

Rock on!

Jordan van Keulen - Instrumental Music Coordinator

INSTRUMENTAL MUSIC

YEAR 7 FOREST EDGE CAMP

YEAR 9 GREAT BARRIER REEF CAMP

YEAR 10 CENTRAL TOUR

Overall, Central Camp was amazing! The teachers who attended this camp, such as Mr Uren, Mr Cross, Mr Quinn, Miss Hubben, and Miss Hansen, made our experience so enjoyable through their positive energy and willingness to have a laugh. Over the six days we were away, many lifelong friendships and memories were formed. The most memorable moments were the Hawaiian shirt night at Uluru and the Trivia Night on our final night. Other highlights included The Morning Song, which was played every morning on the bus, the love song dedications, and the campfire we had at King Creek station.

Central Camp was easily one of the highlights of Year 10 for many!

Blake Hazeldene, Year 10

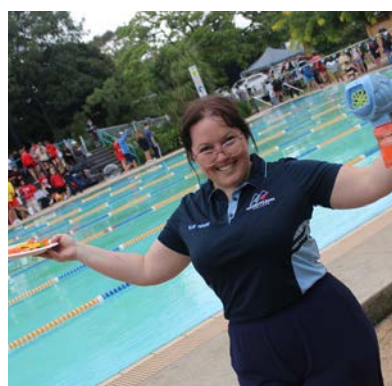

YEAR 10 SOCIAL

SWIMMING CARNIVAL

In Term 1 the College hosted the annual Swimming Carnival at Croydon Memorial Pool. The carnival is always a terrific way to kick off the year! Ngawan House were awarded the House swimming trophy after an extremely close contest. It was great to see students from all four Houses competing for points in the 50m lap pool, walking lane and the House water polo tournament.

We had plenty of terrific performances in the pool, with many students qualifying for the division and region swimming events. Extra recognition needs to go to Jordan Barnewall in Year 12, who qualified for the State Championships and swam exceptionally well!

ATHLETICS CARNIVAL

The Athletics Carnival is always a highlight on the school calendar. This was the first year we have held our event at Ringwood Athletics Track. The venue was flooded in a sea of blue, green, red and yellow with students of all year levels ready to participate. Everywhere you looked there were record breaking performances and valuable House points being earned. Various novelty events were also an option for students, meaning there was something for everyone to compete in. Once again, Ngawan House proved too hard to beat, taking out the 2023 Athletics Carnival title.

Numerous students progressed from our House Athletics Carnival to the division and region championships. Special mention to Reuben Johnson in Year 11, who won his way through to the State Championships in the 1500m and placed 5th. We're incredibly proud of you, Reuben!

CROSS COUNTRY

The final sports carnival is our Cross Country Carnival held at Lilydale Lake. The weather was on our side with the sun shining over the lake and over 400 students running along the sand to cross the finish line. Darrang House were our champions. This was brought on by fantastic participation, as well as some terrific individual efforts.

Well done to all students who attended the meet. Extra recognition needs to go Kenzie Woolhouse, Reuben Johnson, Daniel Groves, David Tung Dim and Liam Price who progressed all the way to the State Championships and ran extremely well on the day. At this State Championships, our four senior boys were part of the team event and placed 3rd in the entire state. What an amazing accomplishment!

INTERSCHOOL SPORT

All year, we had fantastic numbers of participants signing up for the variety of interschool sports on offer. Mooroolbark College had some superb results, with special mentions to the following teams who progressed to the EMR championships. Amazing work!

- Year 8 Mixed Tennis
- Year 8 Girls Volleyball
- Year 8 Boys Soccer
- Year 8 Girls Netball
- Intermediate Girls Volleyball
- Intermediate Boys Volleyball
- Intermediate Girls Hockey
- Senior Girls Volleyball

Bring on 2024!

Ryan Exon - Interschool Sport Coordinator

Woah, what a year it's been! We've said goodbye to the one and only John Nichol. His contribution to the College was immense and his presence is sorely missed. We wish him all the best as he moves beyond Mooroolbark College in the future.

Students participated in a range of incursions and workshops:

- The Year 9 cohort took part in an incursion with the staff from Man Cave and Flourish Girls during second term.
- The Year 7 students participated in a Task Master activity giving them the opportunity to be adaptable in groups when things didn't go their way.
- Shannon from Collective Being has joined the school to run the Young Women's Group.
- Year 12's took part in seminars designed to empower students with knowledge to be adaptable when confronted with stress.

To the Wellbeing Team - Gill, Siobhan, Bec, Jamie and Siobhan - thank you for the countless hours of work you have put in to ensuring that all students at Mooroolbark College feel accepted and heard. Your commitment is acknowledged by many but here is an anonymous reflection by one of our students:

"A massive thank you to the wellbeing team who have continually supported me as well as many of the students here. We are privileged and grateful to have access to such amazing care. Without your empathy, selflessness and determination

the school would not be as it is today. We appreciate your ability to make the tough days seem achievable and want you to know that your hard work does not go unnoticed."

Many people contribute to our students being safe, supported and ready to learn. It is a privilege to see a student transform from a child at the beginning of their high school journey into an aspirational young adult as they leave. It is the philosophy of the school, supported by research, that any student who journeys through high school with a trusting adult who connects with them and looks out for them will be more resilient in their future. So, we are grateful all those who have walked the journey beside our cohort.

Sarah Coghlan - Student Wellbeing Leader

It has been a fantastic year for the House Cup Competition. A big thank you to our House Captains for supporting the inter-House competitions. It has been wonderful to see our students demonstrating the depth and diversity of their talents.

During 2023, four new Cups were introduced: Values (most principal awards and merits demonstrating our College values of endeavour, resilience, compassion and respect), Sports (sporting endeavours), Merits (dux, honours, high distinction, distinction and credits) Community Involvement (community involvement activities). The winners for each were:
 Sports Cup - Ngawan House (2742 points)
 Values Cup - Darrang House (1791 points)
 Merits Cup - Baan House (3620 points)
 Community Involvement- Biik House (3760 points).

As you can imagine the final results were close:
 1st place - Baan House (10808 points)
 2nd place - Darrang (9946 points)
 3rd place - Biik House (9590 points)
 4th place - Ngawan House (8999 points)

Betty Metaxas - House Cup Coordinator

Another bright year from Ngawan House with a range of exciting initiatives and achievements completed by our amazing students. Ngawan House students have shown resilience, compassion, respect and endeavour with over 200 values awards being achieved and two principal awards being presented to Iliro Smit (2023 Ngawan House Captain) and Marllon Musliman of Year 7.

Ngawan House began the year looking for its 8th Swimming Carnival title in nine years. Exceptional student attendance and involvement contributed to our House achieving victory. A special mention goes to Jordan Barnewall and Owen Wahrenberger for, once again, leading the way.

The Athletics Carnival was another sporting event that did not disappoint! Ngawan House was victorious, leading to its 9th win in 10 years! Ngawan had a range of students participating in a variety of events with our top achievers being Iliro Smit, Giselle Leonard and Heath and Andre Johanson.

Ngawan House also had a large student presence in the Mooroolbark College production, High School Musical, with Xen Wilson, Charlotte Topma, Curtis Simons in starring roles and Cooper Jackson being one of the leads as Ryan Evans.

Academics was, once again, a real strength of Ngawan House. It was a pleasure to recognise the outstanding academic achievements made by some of our Ngawan House students during the mid semester Academic Awards assembly. It was also pleasing to see the remaining students being supportive and getting behind their peers in a positive manner. A special mention goes to Honours award winners Bohdi Alfonso, Paisley Ball and Giselle Leonard. An extra special mention must go to Charlotte Van Pragg, of year 7, for receiving dux (highest academic achievement).

We would like to thank our 2023 Ngawan House Captains this year; Amy Oliver and Iliro Smit, supported by Ngawan Middle School Captains; Jacob Garratt and Henry Pearce. These amazing individuals have consistently made valuable contributions to Ngawan House by running dodgeball and thunder hockey tournaments, presenting at House and general assemblies, in addition to organising BBQs to raise money for improved school facilities.

Finally, we would like to wish our graduating Year 12 Ngawan students the best for their future endeavours.

Have a great holiday and we look forward to seeing you rejuvenated and inspired to achieve your best in 2024.

Go Stingers!

Matthew Bell - Ngawan House Leader

SENIOR CAPTAINS
Iliro Smit and Amy Oliver

MIDDLE SCHOOL CAPTAINS
Jacob Garratt and Henry Pearce

It has been a privilege leading Ngawan House for 2023. This year we had some successful BBQ fundraisers as we began raising money for a beach volleyball court. We were proud to see students from our House participating in activities across the school, including Swimming and Athletics Carnival days and extracurricular events. In the second half of the year, our Ngawan Middle School Captains managed a thrilling inter-house dodgeball competition, and we also held the annual thunder hockey competition for our Ngawan House homegroups.

All the best Ngawan House, may you continue to shine like the sun!

Amy Oliver and Iliro Smit

2023 has seen Baan House students excel within the school community and consistently demonstrate the school values of resilience, compassion, respect, and endeavour. This was evident in the hundreds of values awards being achieved and celebrated during House Assemblies throughout the year. We were fortunate enough to have one Principal's Award, which was given to Aliyah Orwin in Year 9 - who was also a Baan House Middle School Captain for 2023.

Baan House began the year with some new faces in the team - with new House Leader, Mr David Quinn and new coordinators Ms Rachel Farrell and Ms Leilani Foletti who were supported by Mrs Maria Pisano and Mrs Ruth Donaldson in Pathways. This team has been able to develop positive relationships with students throughout the year and provided a nurturing environment to support student connectedness within the school.

Baan House displayed terrific levels of participation in all school activities this year. This was reflected in their 2nd place finishing in both Athletics and Swimming Carnivals - a special mention goes to Vincent Kim, who participated in the most events of any Baan House student. Most importantly, Baan House once again won the House Cup for the 4th year in a row! This award encompasses various aspects of school, such as academics and involvement in sporting and extracurricular activities - it is great to see Baan House having such a positive impact across the board.

Baan House students really excelled in their academics throughout the year, and these were celebrated during House assemblies and our Semester 1 Awards assembly - it was great to see so many students celebrating the academic success of their peers! Congratulations to Tegan Barber and Jackson Reid who both received dux awards!

This year's House Leadership team did an outstanding job of running assemblies, helping to organise House activities, assist with new students and being positive role models for all Baan House students. We were fortunate to have Aliyah Orwin and Abbey Heemskerker as our Middle School Captains and Anisa Aganovic and Will Carpenter as our Senior School Captains - all four did a terrific job and we thank you for all your hard work and dedication throughout the year. Another special mention goes to Baan House student Ciara Delaney, who was College Captain this year and did a tremendous job helping at House events - thank you for your hard work!

We have been amazed at how well our Year 12's have done throughout their final year of schooling especially, the way they have demonstrated the College value of resilience. We are looking forward to hearing from you in the future.

We are looking forward to seeing you all succeed in 2024.

David Quinn, Rachel Farrell, Leilani Foletti, Maria Pisano and Ruth Donaldson - Baan House Team

We take immense pride in having served as your captains for Baan House in 2023. With the help of each one of you, we have achieved so much as a House together.

It has been such a privilege to have witnessed the academic, athletic, and most importantly, personal growth that has occurred in our Baan community.

We wish you continued success during your remaining time at Mooroolbark College and in all your future pursuits.

Anisa Aganovic and Will Carpenter

SENIOR CAPTAINS
Will Carpenter and Anisa Aganovic

MIDDLE SCHOOL CAPTAINS
Abbey Heemskerker and Aliyah Orwin

2023 has been another exciting year for Darrang House. We have finally settled into our new office space in the Wellbeing Centre and are looking forward to making the most of the new garden area next year.

We welcomed two new members to our House team this year. Mr Matthew Sheaves joined us as a Cluster Coordinator, supporting students from G7-G9. We are grateful for his work this year and wish him all the best in his new role next year. We also welcomed Mrs Kristi Harris, who fulfilled the roles of Pathways Advisor and Learning Mentor. She played an integral role in ensuring the best outcomes for our students across all year levels.

For the second year in a row, Darrang House were the winners of the annual Cross Country carnival! A fun day was had by all students as we ventured out to Lilydale Lake for the afternoon. Our winning result was a testament to the impressive number of our students who volunteered to participate, despite the windy and cold weather.

In addition to our Cross Country win, Darrang House was also awarded the Mooroolbark College Values Award Cup. This trophy is awarded to the House whose students earn the most merits throughout the year by demonstrating the four College values of Respect, Compassion, Resilience, and Endeavour. As a House team, we are immensely proud of all our students who contributed to this award by consistently displaying our values. Our goal for next year is to earn even more merits so that we can not only retain the Values Award Cup, but also hopefully win the overall House Cup.

We farewelled our graduating Year 12 students at the Valedictory in November. It was a privilege to share the celebrations with our students, and we particularly enjoyed hearing about the enjoyable homegroup experiences that became some of our students' most memorable moments. We wish all graduates the best for their future endeavours and hope that we will see you next year at our alumni afternoon tea.

The Darrang House Team would like to thank our senior House Captains, Abigayle Huang and Aidan Fox Wright, for their contributions to the House this year. They spoke confidently at general assemblies and delivered a heartfelt speech to their peers about the importance of compassion and kindness. We would also like to thank our Middle School Captains, Sienna Haywood and Matilda Sleeman, for their willingness to get involved in all aspects of the College, and for assisting at House assemblies.

Haywood and Matilda Sleeman, for their willingness to get involved in all aspects of the College, and for assisting at House assemblies.

We hope all students and their families have a safe and relaxing summer break. We are looking forward to an exciting and successful 2024.

Sarah Garnaut, Jenny Roberts, Matthew Sheaves - Darrang House Team

2023 was a great year and it was an honour to lead Darrang House. This year allowed us to grow, not only as leaders, but as people. We will miss the community we have been part of for the last six years, and we could not be more grateful to everyone who made it such a wonderful House to be in. We are proud to see how we have grown together and made it an inclusive environment for all year levels. It was an honour to present our kindness and compassion speech at assembly, and we hope that all of Mooroolbark College, continue to uphold these values and embrace them in our community.

Darrang, we wish you all the best!

Abigayle Huang and Aidan Fox Wright

SENIOR CAPTAINS

Aidan Fox Wright and Abigayle Huang

MIDDLE SCHOOL CAPTAINS

Sienna Haywood and Matilda Sleeman

This year has been a great year for staff and students of Biik House. We've seen so many of our students demonstrating the school values of resilience, compassion, respect and endeavour, daily. It has filled us with incredible pride to present so many Values Awards at our Biik House assemblies throughout the year. We are also very proud of our two students who received Principal's Awards in 2023 - Maddison Meyer of Year 8 and Taylah Hughes of Year 7. Biik House won the Community Involvement Cup and came third overall in the House Cup.

There have been many activities for students to become involved with this year. The House Swimming Carnival was a fun day with so many of our students dressing in their House colours. It was wonderful to hear the Biik students cheering the House chant, as we were the loudest House that day. It was exciting to see so much red colour! The House Athletics was another enjoyable day, and a big turnout for our students.

With the introduction to our new House Leader, Tracey Leicester, along with the members of the Biik House Team, Aaron Cross, Lucas Unland, Sarah Pearsall and Alyce Bailey, a strong and supportive team was created this year. The wellbeing and academic performance of students has been nurtured throughout the year from the whole team.

The Biik House staff worked closely with our Middle School Captains, Teresa Hramkam and Rory Simmons, and our Senior House Captains, Kyla King and Ellie Lynch, who were very supportive during special events and assemblies. The captains were enthusiastic in their support of other students and the staff. Their efforts in organising and helping to run the Capture the Flag tournament early in the year, and then the House dodgeball competition in the second half of the year, were invaluable. Congratulations and thank you to our wonderful captains!

We have viewed in awe as our amazing Year 12's have worked so hard to complete their final year of schooling. Year 12 is always a busy and challenging year, but you have all shown resilience in achieving your best and getting to the end of the year. Congratulations to all Year 12's for a fantastic year and we all wish you the best of luck.

As another year comes to an end for our students, we wish everyone a safe and happy holiday and we look forward to seeing your smiling faces back at school in the new year, with new challenges and a chance to get involved in our fun House activities and carnival days.

Tracey Leicester, Aaron Cross, Lucas Unland, Sarah Pearsall, Alyce Bailey - Biik House Team

This year we aimed to make everyone feel like they belonged in Biik House. We focused closely on mental health awareness and inclusivity. We were stunned and excited to see so many students coming together during the dodgeball competition. We hope to leave every student in Biik House with a strong sense of belonging, memories and friendships that will continue to grow throughout the coming years. Thank you Biik House for having us as your Senior Captains. We hope we have helped you to branch out and become the best you can be!

SENIOR CAPTAINS
Kyla King and Ellie Lynch

MIDDLE SCHOOL CAPTAINS
Rory Simmons and Theresa Hramkam

We'll miss you Biik House!

Anisa Aganovic

Interests: swimming with my dog, travelling and camping

50 year vision: pj pants to take over trackies

"Well, good luck. Toodles!"

Ruby Allan

Interests: spending time with my friends and going away on holidays

50 year vision: rich and living in a mansion on the water in Queensland

"I need my morning coffee"

Daniel Bak

Interests: physics, gaming and software development

50 year vision: to see all wars stop, and for technology to push past its current boundaries

"Look up, face forward, toward your chosen horizon, and just walk on"

Kenny Barden

Interests: music and sports

50 year vision: flying cars and robot animals

"That is so chooch, you're a choochie"

Alex Basford

Interests: reading, video games and history

50 year vision: Australia leaves the Commonwealth and gets a cool new flag.

"If you know the enemy and know yourself, you need not fear the result of a hundred battles"

Daniel Beresford

Interests: dirt bikes and cars

50 year vision: don't ditch gasoline powered vehicles, ditch the EV's

"Speed has never killed anyone, suddenly becoming stationary, that's what gets you" - Jeremy Clarkson

Shyla Borg

Interests: chainsaw wood carving

50 year vision: the zombie apocalypse

"I guess it's just what happens"

Hayley Bremner

Interests: art, working with clay, digital design, water colour, acrylic paints and drawing

50 year vision: I'd like to see people be nicer to each other, you never know what someone is going through

"My name isn't Ash"

Janel Ali

Interests: sitting on the ride for a couple of hours and stirring the pot

50 year vision: plenty of BnS's and Ute Musters, trips to the red dirt country and have a successful drive out of the tele track

"She'll be right"

Jaxon Andres

Interests: gaming and cooking

50 year vision: air is cleaner to breathe

"One person can keep a secret, but not two"

Gypsy Ballingall

Interests: gym and hanging with friends

50 year vision: flying cars

"IDK"

Jordan Barnewall

Interests: painting, musicals, swimming and reading

50 year vision: more acceptance for everyone's differences and allowing people throughout the world to live as their true selves without hate

"I never dreamed about success; I worked for it"

Lachlan Bentley

Interests: card games, cooking and walking

50 year vision: better public transport

"One must imagine Sisyphus happy"

Jasper Blair

Interests: sports, cricket, art, film and animation

50 year vision: the end of One Piece

"It is what it is"

Zachary Bos

Interests: gym, Xbox and sports

50 year vision: teleportation

"Awesome sauce"

Kylah Brewer

Interests: horse riding - eventing, pilates and strength training, good coffee with friends, long walks and sleep

50 year vision: less stigma surrounding chronic physical and mental health

"Little progress is still progress"

Dakota Briant

Interests: cheerleading and camping

50 year vision: having a family of my own

"Don't live someone else's dream, find your own"

Tommy Carroll

Interests: gaming and Yu-Gi-Oh!

50 year vision: One Punch Man season 3

"I'll leave tomorrow's problems to tomorrow's me"

Liam Casey

Interests: filmmaking, TCGs and Star Wars

50 year vision: real-life duel disks from Yu-Gi-Oh!

"Impossible Year" - Panic! At The Disco

Katelyn Cogan

Interests: tattoo art, spending time with friends and exploring different places

50 year vision: more science subjects and to study subjects longer than 2 years

"LEGGG!"

Lauren Crockett

Interests: listening to music, playing games and sports

50 year vision: AI technology to better society but not completely take over humanity!

"Like, mate, stop procrastinating"

Ciara Delaney

Interests: football, netball, Yo-chi, shopping, live music and watching Criminal Minds

50 year vision: a world free from corrupt leaders

"Sorry I'm late, I was in Blue House"

Eathon Dobie

Interests: learning a language and figure collecting

50 year vision: war

"I got 99 problems but an ATAR ain't one"

Joss Draper

Interests: games and seeing friends

50 year vision: GTA 6 released

"Stimmed up and ready to burn"

Zoe Caldwell

Interests: soccer, futsal and annoying kids on Roblox

50 year vision: women's sport to be watched, supported and funded equally to men's sport

"Just because there's a goalkeeper doesn't mean you can't score"

Will Carpenter

Interests: #FLAGDONS24, cricket and flags

50 year vision: a new Australian flag

"Peace, land and bread" - Lenin

Ashley Chuah

Interests: playing footy for Mooroolbark Mustangs and going to the gym

50 year vision: aliens will become our friends

"Don't follow your dreams, follow my Instagram @ashleychuah_"

Robert Cooper

Interests: gym

50 year vision: affordable cost of living

"I should've done VCAL"

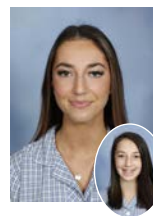

Alyssa Cubitt

Interests: the beauty industry and going to the gym

50 year vision: machines/technology to take over

"If you do it, I'll do it"

Emma De Vincentis

Interests: camping with friends and going for late night drives with my best friend and sister

50 year vision: to have travelled around the world and be rich

"OMG, I have so much to tell you..."

Amy Douglas

Interests: fishing, the stock market and Zinger Twisters with pepper mayo

50 year vision: the home button back on iPhones

"Not in this economy"

Brooke Duin-Gischus

Interests: gym, socialising, working and spending time with my dog

50 year vision: students allowed to park in the parking lot

"Does it really count as wagging though?"

Charlotte Dunbabin

Interests: music, the beach with friends and trying new food places

50 year vision: women's pants/dresses with pockets

"Sorry, I can't. I've got a concert"

Jackson Dunn

Interests: gym, gaming and playing ball

50 year vision: Kanye for authoritarian autocrat

"If he can't break bread, he fake"

Holly Dunlop

Interests: playing netball and spending time with my friends and family

50 year vision: being rich

"Not all blondes are dumb"

Alice Durante

Interests: Italy

50 year vision: Italy

"Look what the cat dragged in"

Wil Farnan

Interests: sleeping, video games, movies and Wordle

50 year vision: world peace and the end of the housing crisis

"Honk Shoo Mi"

Sarah Felstead

Interests: cooking, spending time outside in the summer

50 year vision: travelling to different countries across the world

"I'm only smiling because it's over"

Owen Feuser

Interests: technology, 3D design, games and cheese

50 year vision: VR Technology advanced enough to allow people to create and interact with new worlds

"People without grappling hooks, what are they thinking?"

Aidan Fox Wright

Interests: movies, music, gaming and guitar

50 year vision: punk rock to make a comeback

"No sympathy for the devil; keep that in mind. Buy the ticket, take the ride" - Hunter S Thompson

Lotte Gale

Interests: music

50 year vision: more education about menstrual health

"A pass is a pass"

Chloe Grange

Interests: footy, dirt bike riding, netball and working in childcare
